Carnival-Amusement Rides

Readoption: N.J.A.C. 5:14A

Authority: N.J.S.A. 5:3-36.

Authorized By: Richard E. Constable, III, Commissioner, Department of Community Affairs.

Effective Date: March 25, 2015.

New Expiration Date: March 25, 2022.

Take notice that, pursuant to the provisions of Executive Order No. 66 (1978) and N.J.S.A. 52:14B-5.1, the rules at N.J.A.C. 5:14A will expire on May 19, 2015. These rules establish standards for the design and operation of amusement rides, including, but not limited to, requirements for the approval, certification, maintenance, and inspection of amusement rides and for the qualifications of maintenance staff, maintenance technicians, and ride operators. There are separate requirements for bungee jumping, go karts operations, water parks, inflatables, and climbing walls.

The Department of Community Affairs has reviewed the rules in consultation with the Carnival and Amusement Ride Safety Advisory Board and has determined that they should be readopted without amendment. The rules are necessary, reasonable, and proper for the purpose for which they were originally promulgated. Therefore, pursuant to N.J.S.A. 52:14B-5.1.c(1), these rules are readopted and shall continue in effect for a seven-year period.
