Parents should take several additional safety precautions for their children, especially small children, when participating in amusement rides or attractions.

- Know your child's capabilities and limitations with regard to whether the ride is appropriate for them.
- Watch the ride in operation before entering to make sure your child can ride it safely.
- Remind your child of Ride Safety 'Dos' and 'Don'ts'.
- Remind your child to stay seated, hold on to safety bars and obey the ride operator's instructions.
- Designate an easily recognizable place to meet your child after the ride is over.
- Supervise your child at all times.

Safety is the most important component of every family outing.

New Jersey's amusement parks, fairs, carnivals and attractions are some of the best in the country and are designed to entertain every member of your family. The next time you visit your favorite amusement park, fair or carnival, just remember to be "Ready to Ride."
