45:1-2.2. Appointment of members by governor; public members; member from department in executive branch; quorum; vote necessary for action

a. All members of the several professional boards and commissions shall be appointed by the Governor in the manner prescribed by law; except in appointing members other than those appointed pursuant to subsection b. or subsection c., the Governor shall give due consideration to, but shall not be bound by, recommendations submitted by the appropriate professional organizations of this State.

b. In addition to the membership otherwise prescribed by law, the Governor shall appoint in the same manner as presently prescribed by law for the appointment of members, two additional members to represent the interests of the public, to be known as public members, to each of the following boards and commissions: The New Jersey State Board of Accountancy, the New Jersey State Board of Architects, the New Jersey State Board of Cosmetology and Hairstyling, the New Jersey State Board of Dentistry, the State Board of Mortuary Science of New Jersey, the State Board of Professional Engineers and Land Surveyors, the State
Board of Medical Examiners, the New Jersey Board of Nursing, the New Jersey State Board of Optometrists, the State Board of Examiners of Ophthalmic Dispensers and Ophthalmic Technicians, the Board of Pharmacy, the State Board of Professional Planners, the State Board of Psychological Examiners, the New Jersey Real Estate Commission, the State Board of Shorthand Reporting, the State Board of Social Work Examiners, and the State Board of Veterinary Medical Examiners, and one additional public member to each of the following boards: the Board of Examiners of Electrical Contractors, the State Board of Marriage and Family Therapy Examiners, the State Board of Examiners of Master Plumbers, and the State Real Estate Appraiser Board. Each public member shall be appointed for the term prescribed for the other members of the board or commission and until the appointment of his successor. Vacancies shall be filled for the unexpired term only. The Governor may remove any such public member after hearing, for misconduct, incompetency, neglect of duty or for any other sufficient cause.

No public member appointed pursuant to this section shall have any association or relationship with the profession or a member thereof regulated by the board of which he is a member, where such association or relationship would prevent such public member from representing the interest of the public. Such a relationship includes a relationship with members of one’s immediate family; and such association includes membership in the profession regulated by the board. To receive services rendered in a customary client relationship will not preclude a prospective public member from appointment. This paragraph shall not apply to individuals who are public members of boards on the effective date of this act.

It shall be the responsibility of the Attorney General to insure that no person with the aforementioned association or relationship or any other questionable or potential conflict of interest shall be appointed to serve as a public member of any board regulated by this section.

Where a board is required to examine the academic and professional credentials of an applicant for licensure or to test such applicant orally, no public member appointed pursuant to this section shall participate in such examination process; provided, however, that public members shall be given notice of and may be present at all such examination processes and deliberations concerning the results thereof, and, provided further, that public members may participate in the development and establishment of the procedures and criteria for such examination processes.

c. The Governor shall designate a department in the Executive Branch of the State Government which is closely related to the profession or occupation regulated by each of the boards or commissions designated in section 1 of P.L.1971, c. 60 (C. 45:1-2.1) and shall appoint the head of such department, or the holder of a designated office or position in such department, to serve without compensation at the pleasure of the Governor as a member of such board or commission.

d. A majority of the voting members of such boards or commissions shall constitute a quorum thereof and no action of any such board or commission shall be taken except upon the affirmative vote of a majority of the members of the entire board or commission.

45:1-2.3. Qualifications; rights and duties

Such additional members:

a. Need not meet the educational and professional requirements for membership on such boards or commissions as provided in the several statutes establishing such boards and commissions; and
b. Shall be voting members subject to the same rights, obligations and duties as other members of their respective boards or commissions.

45:1-2.4. Effect of act on term of member in office

Nothing in this act shall affect the right of a board or commission member in office on the effective date of this act to continue to serve for the term for which he was appointed.

45:1-2.5. Compensation and reimbursement of expenses of members; executive secretaries; compensation and terms of employment; offices and meeting places

With respect to the boards or commissions designated in section 1 of P.L.1971, c. 60 (C.45:1-2.1), except as otherwise provided in subsection d. of this section, and notwithstanding the provisions of any other law:

a. The officers and members shall be compensated on a per diem basis in the amount of $25.00 or an amount to be determined by the Attorney General, with the approval of the State Treasurer, but not to exceed $100.00 per diem or $2,500.00 annually, and shall be reimbursed for actual expenses reasonably incurred in the performance of their official duties. Such moneys shall be paid according to rules and regulations promulgated by the Attorney General.

b. The executive secretary shall receive such salary as shall be determined by the appointing authority within the limits of available appropriations and shall serve at its pleasure. Any such executive secretary who holds a certificate, license or registration issued by the board or commission by which he is employed shall not during such employment be permitted to engage in any profession or occupation regulated by the board or commission.

c. The head of the department to which such board or commission is assigned shall maintain within any public building, whether owned or leased by the State, suitable quarters for the board’s or commission’s office and meeting place, provided that no such office or meeting place shall be within premises owned or occupied by an officer or member of such board or commission.

d. The compensation schedule for members of boards and commissions provided in subsection a. of this section shall not apply to the members of the New Jersey Real Estate Commission, who shall be compensated pursuant to R.S.45:15-6 or to members of the State Board of Medical Examiners who shall receive compensation of $150 per diem.

45:1-2.6. Inapplicability of act to rights under civil service or any pension law or retirement system

Nothing in this act shall deprive any person of any tenure rights or of any right or protection provided him by Title 11 of the Revised Statutes, Civil Service, or any pension law or retirement system.

1 Now title 11A.

45:1-3. Expenses of boards paid from income; surplus paid to state treasurer; accounts
Each member of the boards mentioned in section 45:1-2 of this title shall be entitled to his actual traveling and other expenses incurred in the performance of his duties, which sum shall be paid from the license fees and other sources of income of such boards. Such boards shall also be entitled to expend from their income such sums as shall be necessary to defray all proper expenses incurred by them in the performance of their duties, including the compensation of any of their officers or agents whom they are authorized to compensate. Such boards, if authorized to collect an annual registration or license fee from persons licensed by them, may retain in their treasuries the fees so collected and use the same for the purpose of defraying the expenses of securing evidence against and prosecuting persons violating the provisions of the laws with the enforcement of which they are charged, or, in case the revenue of the boards from other sources shall be insufficient to pay the salary of their secretaries and their other expenses, such fees may be expended for such purposes. Such boards shall be entitled to retain, in addition to the above, at least one hundred dollars in their treasuries for the purpose of preparing and holding their examinations. On or before October thirty-first in each year such boards shall pay to the state treasurer all moneys remaining in their treasuries, except as above stated, which sum, when so paid, shall form a part of the state fund. Such boards shall keep accurate accounts of their receipts and expenditures, which accounts shall be subject to audit by the state comptroller.

1Repealed; see, now, ßß 45:1-2.1, 45:1-2.2.

Any board’s or commission’s charges established, prescribed or changed pursuant to this section shall be established, prescribed or changed to such extent as shall be necessary to defray all proper expenses incurred by the board or commission in the performance of its duties but such charges shall not be fixed at a level that will raise amounts in excess of the amount estimated to be so required.

45:1-3.3. Administrative fees charged by boards; modification

The Director of the Division of Consumer Affairs may by rule establish, prescribe, or modify administrative fees charged by boards in accordance with the “Administrative Procedure Act,” P.L.1968, c. 410 (C.52:14B-1 et seq.). For purposes of this section, “administrative fees” are charges assessed to licensees, registrants or holders of certificates, as the case may be, for board functions that are not unique to a particular board but are uniform throughout all boards. Administrative fees include, but are not limited to, fees for a duplicate or replacement license, certification or registration, late renewal fee, license reinstatement fee, and the fee for processing change of address.

45:1-4. Salary of secretary

The secretary of each of the boards mentioned in section 45:1-2 of this title, whether or not a member thereof, shall be entitled to receive such reasonable salary or compensation for his services as secretary as shall be fixed by such boards, which shall be paid by the boards from their receipts, unless an appropriation is made for the expenses of such boards, in which case the same shall be paid from such appropriation.

Notwithstanding any of the provisions of Title 45 of the Revised Statutes or of any other law to the contrary, all professional or occupational licenses or certificates of registration, except such licenses or certificates issued to real estate brokers or salesmen pursuant to chapter 15 of Title 45, which prior to the effective date of this act were issued for periods not exceeding one year and were annually renewable, shall, on and after the effective date of this act, be issued for periods of two years and be biennially renewable, except that licenses and business permits issued to electrical contractors and certificates of registration issued to qualified journeymen electricians pursuant to chapter 5A of Title 45 shall be issued for periods of three years and be triennially renewable; provided, however, the boards or commissions in charge of the issuance or renewal of such licenses or certificates may, in order to stagger the expiration dates thereof, provide that those first issued or renewed after the effective date of this act, shall expire and become void on a date fixed by the respective boards or commissions, not sooner than six months nor later than 29 months, after the date of issue.

If the holder does not renew the license or certificate prior to its expiration date, the holder may renew it within 30 days of its expiration date by submitting a renewal application and paying a renewal fee and a late fee. Any professional or occupational license or certificate of registration or certification not renewed within 30 days of its expiration date shall be suspended without a hearing.

c. Any individual who continues to practice with an expired license or certificate of registration or certification after 30 days following its expiration date shall be deemed to be engaged in unlicensed practice of the regulated profession or occupation, even if no notice of suspension has been provided to the individual.

d. A professional or occupational license or certificate of registration or certification suspended pursuant to this section may be reinstated within five years following its date of expiration upon submission of a renewal application and payment of an additional reinstatement fee. An applicant seeking reinstatement of a license or certificate suspended pursuant to this section more than five years past its expiration date shall successfully complete the examination required for initial licensure, registration or certification and submit a renewal application and payment of an additional reinstatement fee.

e. A board specified in section 2 of P.L. 1978, c. 73 (C. 45:1-15) shall send a notice of renewal to each of its holders of a professional or occupational license or certificate of registration or certification, as applicable, at least 60 days prior to the expiration of the license or certificate. 45:1-7.2. Reinstatement

A board may reinstate the professional or occupational license or certificate of registration or certification of an applicant whose license or certificate has been suspended pursuant to section 5 of P.L.1999, c. 403 (C.45:1-7.1), provided that the applicant otherwise qualifies for licensure, registration or certification and submits the following upon application for reinstatement:

45:1-7.3. Renewal applications

a. Renewal applications for all professional or occupational licenses or certificates of registration or certifica-
tion shall provide the applicant with the option of either active or inactive renewal. A renewal applicant electing to renew as inactive shall not engage in professional or occupational practice within the State.

b. An applicant who selects the inactive renewal option shall remain on inactive status for the entire renewal period unless, upon application to the board, the board permits the inactive applicant to return to active status provided such applicant presents satisfactory proof that he has maintained proficiency by completing the continuing education hours or credits required for the renewal of an active license, registration or certification, if applicable.

(2) A professional who fails to file a claim within 180 days and whose claim for payment has been denied by the third party payer in accordance with this subsection may, in the discretion of a judge of the Superior Court, be permitted to refile the claim if the third party payer has not been substantially prejudiced thereby. 45:1-14. Legislative findings and declarations; liberal construction of act

A person who is entitled by law to, and does assert such privilege, and who complies with such direction of the Attorney General shall not thereafter be prosecuted or subjected to any penalty or forfeiture in any criminal proceeding which arises out of and relates to the subject matter of the proceeding. If the person has continued to meet all other requirements for licensure, registration or certification during the suspension, reinstatement shall be automatic upon receipt of the notice and payment of any reinstatement fee the director or the board may impose.

45:1-22. Additional or alternative penalties to revocation, suspension or refusal to renew; temporary order suspending or limiting license; subpoena

In addition or as an alternative, as the case may be, to revoking, suspending or refusing to renew any license, registration or certificate issued by it, a board may, after affording an opportunity to be heard:

If, upon review of the Attorney General’s application, the board determines that, although no palpable demonstration of a clear and imminent danger has been made, the licensee’s continued unrestricted practice pending plenary hearing may pose a risk to the public health, safety and welfare, the board may order the licensee to submit to medical or diagnostic testing and monitoring, or psychological evaluation, or an assessment of skills to determine whether the licensee can continue to practice with reasonable skill and safety.

In any administrative proceeding commenced on a complaint alleging a violation of an act or regulation administered by a board, such board may issue subpoenas to compel the attendance of witnesses or the production of books, records, or documents at the hearing on the complaint.

45:1-23. Summary proceeding in Superior Court; injunction; orders necessary to prevent unlawful practice or remedy past unlawful activity

Whenever it shall appear to a board, the director or the Attorney General that a violation of any act, including the unlicensed practice of the regulated profession or occupation, or regulation administered by such board has occurred, is occurring, or will occur, the Attorney General, in addition to any other proceeding authorized by law, may seek and obtain in a summary proceeding in the Superior Court an injunction prohibiting such act or practice. In any such proceeding the court may assess a civil penalty in accordance with the provisions of this act, order
restoration to any person in interest of any moneys or property, real or personal, acquired by means of an unlawful act or practice and may enter such orders as may be necessary to prevent the performance of an unlawful practice in the future and to fully remedy any past unlawful activity. In any action brought pursuant to this section, the court shall not suspend or revoke any license issued by a board.

45:1-24. Failure to comply with order of board directing payment of penalties or restoration of moneys or property; enforcement

Upon the failure of any person to comply within 10 days after service of any order of a board directing payment of penalties or restoration of moneys or property, the Attorney General or the secretary of such board may issue a certificate to the Clerk of the Superior Court that such person is indebted to the State for the payment of such penalty and the moneys or property ordered restored. A copy of such certificate shall be served upon the person against whom the order was entered. Thereupon the clerk shall immediately enter upon his record of docketed judgments the name of the person so indebted and of the State, a designation of the statute under which the penalty is imposed, the amount of the penalty imposed, and amount of moneys ordered restored, a listing of property ordered restored, and the date of the certification. Such entry shall have the same force and effect as the entry of a docketed judgment in the Superior Court, and the Attorney General shall have all rights and remedies of a judgment creditor in addition to exercising any other available remedies. Such entry, however, shall be without prejudice to the right of appeal to the Appellate Division of the Superior Court from the board’s order.

An action to enforce the provisions of any order entered by a board or to collect any penalty levied thereby may be brought in any municipal court or the Superior Court in summary manner pursuant to the Penalty Enforcement Act, (N.J.S. 2A:58-1 et seq.) and the rules of court governing the collection of civil penalties. Process in such action shall be by summons or warrant, and in the event that the defendant fails to answer such action, the court shall issue a warrant for the defendant’s arrest for the purpose of bringing such person before the court to satisfy any order entered.

45:1-25. Violations; civil penalty; action to collect or enforce

a. Any person who engages in any conduct in violation of any provision of an act or regulation administered by a board shall, in addition to any other sanctions provided herein, be liable to a civil penalty of not more than $10,000 for the first violation and not more than $20,000 for the second and each subsequent violation. For the purpose of construing this section, each act in violation of any provision of an act or regulation administered by a board shall constitute a separate violation and shall be deemed a second or subsequent violation under the following circumstances:

(1) an administrative or court order has been entered in a prior, separate and independent proceeding;

(2) the person is found within a single proceeding to have committed more than one violation of any provision of an act or regulation administered by a board; or

(3) the person is found within a single proceeding to have committed separate violations of any provision of more than one act or regulation administered by a board.

b. In lieu of an administrative proceeding or an action in the Superior Court, the Attorney General may bring an action in the name of any board for the collection or enforcement of civil penalties for the violation of
any provision of an act or regulation administered by such board. Such action may be brought in summary manner pursuant to the “Penalty Enforcement Law of 1999,” P.L.1999, c. 274 (C.2A:58-10 et seq.) and the rules of court governing actions for the collection of civil penalties in the municipal court where the offense occurred. Process in such action may be by summons or warrant and in the event that the defendant in such action fails to answer such action, the court shall, upon finding an unlawful act or practice to have been committed by the defendant, issue a warrant for the defendant’s arrest in order to bring such person before the court to satisfy the civil penalties imposed. In any action commenced pursuant to this section, the court may order restored to any person in interest any moneys or property acquired by means of an unlawful act or practice.

c. Any action alleging the unlicensed practice of a profession or occupation shall be brought pursuant to this section or, where injunctive relief is sought, by an action commenced in the Superior Court.

d. In any action brought pursuant to this act, a board or the court may order the payment of costs for the use of the State, including, but not limited to, costs of investigation, expert witness fees and costs, attorney fees and costs, and transcript costs.

45:1-26. Repeal of inconsistent acts and parts of acts

All acts and parts of acts inconsistent with this act are hereby superseded and repealed.

45:1-27. Severability

If any provision of this law or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the law which can be given effect without the invalid provision or application, and to this end the provisions of this law are severable.

(d) If the person whose license qualified a business entity to engage in electrical contracting is rendered incapable of fulfilling his or her professional duties due to death, illness or other condition, the licensee or such other individual who may lawfully act for the business entity may delay returning the official pressure seal for at least six months provided that:

(f) The Board may, for good cause shown, extend by six months the interim period during which electrical contracting may be performed provided that the conditions set forth in (d) above are satisfied.

(g) By the end of either the initial six-month period or the additional six-month extension period, the pressure seal issued by the Board to the individual licensee, qualified journeyman electrician or other qualified person cited in (d) above shall be returned to the Board consistent with N.J.S.A. 45:5A-14.

13:31-3.4 Supervision of electrical work

(a) The licensee whose license qualifies the holder of a business permit to engage in the business of electrical contracting in the State of New Jersey shall assume full responsibility for the inspection and supervision of all electrical work to be performed by the permittee in compliance with recognized safety standards.

(b) The qualifying licensee shall be deemed not to have assumed such required responsibility where he engages in the following acts and practices:

1. Failure to personally inspect and supervise the work of employees where necessary and appropriate.

2. Failure to ensure that electrical workers are afforded the degree of personal on-site supervision commensurate with their level of competence and the complexity of the work to be performed.

3. Failure to be personally available on a reasonable basis where circumstances require personal availability.

4. Regular and continuous absence from the principal office of the permit holder where the permit holder maintains a New Jersey office; or the regular and continuous absence from the work sites of electrical work performed in New Jersey where the permit holder does not maintain a New Jersey office.

(a) At the time of triennial renewal of the license and/or business permit, the Board shall furnish a wallet size identification card to every licensee. The card shall be used exclusively by the licensee in the conduct of his or her practice. A licensee who willfully or negligently allows an unlicensed or an unauthorized person to use his or her identification card shall be deemed to have engaged in occupational misconduct and shall be subject to such penalties and sanctions as shall be imposed by the Board pursuant to authority granted by N.J.S.A. 45:5A-1 et seq. and 45:1-14 et seq. The licensee shall be required to present the identification card upon request to the appropriate duly licensed inspection agency upon all applications for electrical permits.

(b) Use of an identification card by any person other than the licensee to whom it is issued or his duly authorized agent acting on the licensee’s behalf shall be deemed to be the use or employment of dishonesty, fraud, deception, misrepresentation or false pretense. Such conduct shall be unlawful and may be grounds for the suspension or revocation of the license of the unauthorized user if he or she is already licensed by the Board. With respect to an unlicensed user, such conduct shall be grounds for the refusal to issue a State license at any point in the future pursuant to the provisions of N.J.S.A. 45:1-14 et seq.

13:31-3.7 Unconscionable pricing

(a) A licensee of the State Board of Examiners of Electrical Contractors shall not charge an excessive fee for services. A fee is excessive when, after a review of the facts, a licensee of ordinary prudence and familiarity with local market rates would recognize that the price is so high as to be manifestly unconscionable or over-reaching under the circumstances. The Board shall consider the following factors in determining whether a fee is excessive:

1. The time and effort required;

2. The novelty or difficulty of the job;

3. The skill required to perform the job properly;

4. Any special conditions placed upon the performance of the job by the person or entity for which the work is being performed;

5. The experience, reputation and ability of the licensee to perform the services;

6. The cost of materials; and
7. The price customarily charged in the locality for similar services.

(b) It shall constitute occupational misconduct within the meaning of N.J.S.A. 45:1-21(e) to charge an excessive price for services.

13:31-3.8 Activities requiring licensure and business permit

(a) The following words and terms, when used in this section, shall have the following meaning unless the context indicates otherwise.

“Service point” means the point of connection between the facilities of the public utility serving a customer and the premises wiring.

“Premises wiring” means interior and exterior wiring, including power, lighting, control and signal circuit wiring, together with all of their associated hardware, fittings and wiring devices, both permanently and temporarily installed, that extends from their service point of utility conductors or source of power such as a battery, a solar photovoltaic system, or a generator, transformer or converter windings, to the outlets. Premises wiring does not include wiring internal to appliances, fixtures, motors, controllers, motor control centers, and similar equipment.

(b) Installing, maintaining or servicing wiring for the supplying of power from the service point on a customer’s premises to an appliance or other equipment used by the customer for the purpose of light, heat or power, shall be performed only by a licensee holding a business permit, except as provided in N.J.S.A. 45:5A-18 and (c) below.

(c) Installing, maintaining or servicing wiring for the supplying of power from the service point on a customer’s premises to an appliance or other equipment used by the customer for the purpose of light, heat or power may be performed by an employee of a public utility offering services that relate to an end user’s premises wiring and determined by the Board of Public Utilities to be competitive, provided that the employee has obtained a license from the Board or is working under the supervision of such a licensee and the utility has obtained a business permit from the Board pursuant to N.J.S.A. 45:5A-9.

5. A certification that the business shall not subcontract telecommunications wiring work to a person or
business entity not having a business permit or a telecommunications wiring exemption issued by the Board.

(d) The application shall be accompanied by a processing fee as set forth in N.J.A.C. 13:31-1.6.

(e) The Board may require a personal interview with the applicant.

(i) After an opportunity to be heard pursuant to the Administrative Procedure Act, N.J.S.A. 52:14B-1 et seq., a telecommunications wiring exemption may be revoked on a showing that the exempt entity has engaged in the unlicensed practice of electrical contracting involving non-exempt electrical work; or that the exempt entity has a history of failure to pass local inspections or to obtain required permits; or for any reason which may serve as a basis to suspend, revoke or deny a license to engage in electrical contracting as more particularly set forth in N.J.S.A. 45:1-21 et seq.

(j) Nothing in this section shall preclude a licensed electrical contractor from performing telecommunications wiring.

13:31-4.2 Limited well drillers or pump installers exemption

(b) A licensee’s failure to cooperate, absent good cause or bona fide claim of a privilege not identified in N.J.A.C. 13:45C-1.5 as unavailable, may be deemed by the board, the Director, or the licensing agency to constitute professional or occupational misconduct within the meaning of N.J.S.A. 45:1-21(e) or the agency’s enabling act and thus subject a licensee to disciplinary action pursuant to N.J.S.A. 45:1-21(h) or the agency’s enabling act.

13:45C-1.4 Failure to comply with Board orders as professional or occupational misconduct

The failure of a licensee to comply with an order duly entered and served upon the licensee or of which the licensee has knowledge shall be deemed professional or occupational misconduct.

In the absence of such licensee or other person, the statements, records or other information shall be returned to the patient, where appropriate.
