In these LEA's, the Bureau of Housing Inspection will not cite any violations under the UFC. They will, however, cite an owner for failure to have a certificate of inspection. In all other LEA's, the Bureau of Housing Inspection will cite any violations of the UFC retro-fit provisions. Requests to be included in this program should be directed through the Bureau of Fire Code Enforcement at (609) 633-6132.

A letter provided by the LEA must be received in this office prior to any change being recorded. Please send the letter to "Division of Fire Safety, Attn: Peter D'Amore, PO Box 809, Trenton, New Jersey 08625-0809."

Special note for fire districts:

In those municipalities where there are **multiple enforcing agencies all the LEA's must make the same selection** on enforcement or BHI will retain jurisdiction.
