**NEW JERSEY WEEKEND
AT THE
NATIONAL FIRE ACADEMY
APRIL 2-3, 2016**

Presented by: New Jersey Department of Community Affairs &
New Jersey Division of Fire Safety

NEW JERSEY WEEKEND!

The deadline for receipt of the 2016 New Jersey Weekend application is February 5, 2016.

If you are interested in attending this program, you must mail a check in the amount of \$38.81 payable to "Kean University." A completed application, the FEMA Form 119 (short form) and the addendum on page 14 are required for registration here:

http://www.usfa.dhs.gov/downloads/pdf/ff_119_25_2_75_5a.pdf

or at the Kean University Fire Safety Training website:
www.keanfiresafety.com

A separate check must be included with each application. **NO VOUCHERS OR PURCHASE ORDERS WILL BE ACCEPTED.**

You can also obtain FEMA Form 119 (General Admissions Short Form), from the National Fire Academy's website.

FIREFIGHTER NIOSH ALERT: CORRUGATED ROOF PANELS

NIOSH HAS ISSUED THE FOLLOWING GUIDELINES:

Ensure that all firefighters, company officers and chief officers are aware of and are trained to recognize translucent corrugated roof panels.

Establish policies and procedures to ensure that firefighters do not walk or stand on translucent corrugated roof panels.

Ensure firefighters immediately inform the incident commander and other firefighters when translucent corrugated roof panels are identified.

Ensure firefighters follow safe roof operating practices including sounding the roof, having enough ladders for safe exit and always wearing the proper PPE, including self-contained breathing apparatus.

Click the link above and place the Winter Fire Safety video on all or your social media for the winter.

Click on the **OPERATION 7: SAVE A LIFE** logo for more information about this year's initiative.
