#### Plus One Codes Updated November 2019

Plus-one codes for the “**STRUCTURE FIRE MODULE, BUILDING STATUS**” code menu:

**2A - Illegal residential conversion**

**2B – Overcrowding**

Plus-one codes for amusement ride fires for amusement piers with stationary rides, or mobile rides (not buildings), used as fixed structures for the **BASIC MODULE, INCIDENT TYPES**

**123A - Fire in a mobile building used as an amusement ride.**

**137A- Open amusement ride on wheels/trailer.**

(For fires on stationary rides mounted permanently to the boardwalk/pier use Incident Type “**112 – Fires in structures other than in a building**”)

**BASIC MODULE, PROPERTY USE:**

**129A- Amusement Piers; indoor/outdoor, except arcade**

**129B- Boardwalk, ramps, and other elevated pedestrian walk**

**Additional Plus One Codes for BASIC MODULE, INCIDENT TYPES:**

**142M Mulch Fire**

**243A Sparklers/Novelty Devices**

Please be sure to add the Plus-One codes to the correct code list menus throughout the system. If you need assistance adding Plus-One codes to your NFIRS Software, please call your software vendor.
