N.J.A.C. 5:70-3.2

Notice of Administrative Correction

Uniform Fire Code

State Fire Prevention Code

Modifications

Take notice that the Department of Community Affairs discovered an error in N.J.A.C. 5:70-3.2. Effective February 7, 2011, an amendment to N.J.A.C. 5:70-3.2(a)4x changed the modifications to Table 405.2, Fire and Evacuation Drill Frequency and Participation, of the 2006 International Fire Code, adopted as the State Fire Prevention Code. See 43 N.J.R. 281(d) and 42 N.J.R. 2349(a). The amendment deleted the Table modification by which "Monthly" in the third row of the Table's Frequency column was changed to "Two drills per month." In addition to narrative descriptions of the Table modifications, N.J.A.C. 5:70-3.2(a)4x also includes a depiction of the Table as modified. In the course of promulgation of the amendment, revision of the modified Table in the rule was overlooked. Through this notice, published pursuant to N.J.A.C. 1:30-2.7, Table 405.2 depicted as modified in the rule will be conformed to the most recent amendment.

Full text of the corrected rule follows (addition indicated in boldface thus; deletion indicated in brackets [thus]):
