

STATE OF NEW JERSEY FY 2015- 2019 CONSOLIDATED PLAN  
NEEDS SURVEY

The State of New Jersey is in the process of developing its FY 2015 - 2019 Consolidated Plan. The Consolidated Plan serves as the State's application for federal funds for the following programs: Community Development Block Grant; Emergency Solutions Grant; HOME Investment Partnerships; and the Housing Opportunities for Persons with Aids. As part of the Plan the NJ Department of Community Affairs (DCA) must identify New Jersey's housing and community and economic development needs and then develop goals and objectives to address those needs.

DCA is requesting your assistance to help identify the housing and community and economic development needs for the State. Your responses will help us identify how the State's funding will be prioritized over the next 5 years. Please take a few minutes to complete the attached survey. Thank you for your assistance.
