These provisions and examples are as follows:

There are three ways to meet this requirement: 1) Individuals can be residents of a low-income neighborhood in the organization's service area (but do not necessarily have to earn a low income themselves), 2) they can be low-income residents of the community, or 3) they can be appointed representatives to the board from a low-income neighborhood association. If you are uncertain as to whether the neighborhood your board member resides in can qualify as a 'low-income neighborhood,' please call James Lordi at (609) 633-6046 for verification of the zip code in which the board member resides.

7. **LOW-INCOME INPUT:** In order to be certified a CHDO, an organization must provide a specific formal process for low-income program beneficiaries to advise the organization in all of its decisions regarding the design, location of sites, development and management of affordable housing projects. These standards are a variation on OMB Circular A-133 but are an updated version to that circular. The organization must certify that its financial management systems comply with this specific standard. Which of the following have you provided to evidence compliance with this federal requirement?

The audits financials should include all components conducted, including any A-133 analysis of compliance with federal grants, analysis of internal controls, letter to the Board of Directors or management letters. If your organization does not have audited financial statements because it has been operating for less than one year, you must submit the audited financial statements of the parent or sponsor organization, along with your organization’s current unaudited financial statements.

**Provided in Exhibit # \_\_\_\_\_ (please specify Exhibit #)**

**NOTE: No non-profit organization shall be certified as a CHDO if the organization’s most recent audit reflects an outstanding finding, material weakness or other unresolved matter, which would prevent the City of Austin from certifying the capacity of that organization to successfully develop a CHDO project.**

The year of service does **not** have to be directly related to housing. These are the two forms in which capacity may be documented and accepted. Which of the two have you provided to demonstrate compliance with this requirement?

19. **STAFF AND CAPACITY:** In order to be certified as a CHDO, the organization must have paid staff \*. HUD defines CHDO staff as paid employees who are responsible for the day-to-day operations of the CHDO; this does not include volunteers, board members or consultants. Additionally, the organization must demonstrate the capacity of its key staff to carry out the activities it is planning to undertake. Specifically, the key staff who will be responsible for the project must have successfully completed projects **similar to those the organization expects to undertake**. Please submit the following to evidence staff capacity:

Receipt of a W-2 is sufficient evidence that an individual is a 'paid employee'. The employee must be paid by the CHDO and, therefore cannot be contracted through, shared with, or cost-allocated through another entity. Employees of a for-profit organization that created a CHDO cannot also be employees of that CHDO.*

New Jersey Department of Community Affairs  
Community Housing Development Organization  
**CERTIFICATION POLICY**

In order to be certified as a Community Housing Development Organization (CHDO), an organization must meet the minimum certification criteria as required by the U.S. Department of Housing and Urban Development. Additionally, the organization must comply with the following policies in order to receive CHDO certification from the New Jersey Department of Community Affairs (NJDCA).

**NO DISTRIBUTIONS**

An applicant organization's charter or the articles of incorporation must specify that no net earnings of the corporation can inure to the benefit of any member, founder, contributor or individual. All net income must be reinvested in the projects developed by the organization or in subsequent affordable housing projects.

**BOARD COMPENSATION**

Board members may receive a reasonable fixed sum and expenses for each board meeting he/she attends. However, board members cannot receive a salary for their service as a board member. In order for NJDCA to verify the reasonableness of compensation, CHDO applicants are required to submit all financial statements and, upon request, any other documents necessary for NJDCA to verify the amount of compensation provided to board members and the services for which the sum was paid.

**SPONSORSHIP OR CREATION BY A RELIGIOUS ORGANIZATION**

A religious organization cannot become a CHDO, but can create a wholly secular nonprofit housing organization. The sponsoring organization can appoint an unlimited number of board members to the board of the housing organization. Beyond that, however, the housing organization cannot be controlled by the religiously-based sponsor organization. That is, the housing organization must be free to select its projects, to procure its goods, services and financing, and to otherwise operate the organization without influence or intervention by the religiously based sponsor. Additionally, the housing developed by the housing organization must be made available to all persons, regardless of religious belief or affiliation. The **by-laws** of the housing organization must include language that ensures compliance with all of the above requirements.

**REPRESENTATIONS AND WARRANTIES**

Any applicant who submits fabricated information, documentation or signatures as part of or along with its CHDO application, or any applicant who misrepresents any aspect of the board, staff or organizational accomplishments, experience or expertise shall be disqualified from the CHDO certification process for a period of one (1) year. The one-year disqualification period will begin at the time the misrepresentation is made by the NJDCA and is reported in writing by NJDCA staff to the applicant organization. If an applicant believes the NJDCA determination of misrepresentation is in error, the applicant organization may appeal the decision in writing to the Director of the Division of Housing and Community Resources.

## **AUDIT**

The New Jersey Department of Community Affairs requires that your organization submit audited financial statements for the organization's most recent program year. If your organization does not have audited financial statements because it has been operating for less than one year, you must submit the audited financial statements of the parent or sponsor organization, along with your organization's current unaudited financial statements. No nonprofit organization shall be certified as a CHDO if the organization's most recent audit has an outstanding finding, material weakness or other unresolved matter which would prevent the New Jersey Department of Community Affairs from certifying the capacity of that organization to successfully develop a CHDO project. The audit will also be used in assessing the organization's financial capacity for executing the affordable housing activities it intends to pursue.

## **VERIFICATION OF COMPLIANCE WITH BYLAWS**

As part of the certification process, the New Jersey Department of Community Affairs may do all necessary due diligence to verify that the operations of an applicant organization are being conducted in keeping with the by-laws submitted in the CHDO Certification application.
