

## NRTC Qualified Projects Pool, November/December 2022

The Qualified Projects Pool is a listing of NRTC project applications that have been reviewed and determined to be qualified for NRTC funding. Information is provided about each qualified project, along with contact information for its sponsoring non-profit organization. This information can be accessed by clicking on the [“Project Descriptions”](#) link below (*Word document with information about each qualified project and its proposed activities*).

Companies that wish to participate must make and submit their project choices using the [“Business Entity Application”](#) form (*link below*). Choices must be ranked in order of preference. **Listing a minimum of three (3) project choices is required (and it is acceptable for the total amount for the project choices to exceed the amount to be contributed)**. The Department will process the submitted “Business Entity Application” forms in the order they are received and will allocate funding to qualified projects based on the ranked choices.

For additional information, please refer to the [“Guide Document for Tax Credits for Business Entities”](#) (*link below*).

**NOTE:** Business Entity Applications must be submitted by (or before) 4 PM on December 19, 2022.
