Part II: Narrative

Community Development Block Grant Program

Assessment of Funds to Goals and State's objectives

The State's FY 2015 *Final Plan for New Jersey's Administration of the Small Cities Community Development Block Grant Program* proposed the following distribution of funds:

	Sub-Programs	Dollar Amount	Percent of Available Funding
CDBG Total Funding - HUD FFY 2014 Allocation			
A.	Administration	\$278,879	5%
B.	Technical Assistance	\$0	0%
C.	Grant Funds to sub-recipients	\$5,687,003	95%
	Emergency Housing Repair Fund	\$20,000	0.3%
	Innovative Development Fund	\$600,000	10.1%
	Housing Rehabilitation Fund	\$1,000,000	16.8%
	Public Facilities Fund	\$4,067,003	68.2%

Actual Distribution CDBG Funding

	Sub-Programs	Dollar Amount	Percent of Available Funding
A.	Administration	\$278,879	4.5%
B.	Technical Assistance	\$0	0%
C.	Grant Funds to sub-recipients*	\$5,912,955.66	95.5%
	Emergency Housing Repair Fund	\$6,885	0.1%
	Innovative Development Fund	\$400,000	6.5%
	Housing Rehabilitation Fund	\$1,075,000	17.4%
	Public Facilities Fund	\$4,437,955.66	71.7%
	Total Funded Amount	\$6,191,834.66	95.6%

* Funds to sub-recipients include prior years and recaptured funds from cancelled obligations and program income when available.

Of the grants awarded under the FFY 2014 program (including those using prior year or cancellations), 13 were for public facilities, 8 for housing rehabilitation and 1 innovative development. There was one emergency housing repair award.

The demand for Public Facilities Fund assistance has always been stronger than the amount set aside in the State's Plan for Distribution. Applications are typically driven by local needs as viewed by the governing body, rather than by residents or non-profit entities. Given a choice, most local officials seek grant funds to improve infrastructure rather than housing stock. However this year there was a high number of housing programs.

Changes in Program Objectives and Assessment of Efforts in Carrying Out Planned Actions

The Small Cities Program Objectives set forth in the Consolidated Plan, prepared by the Department and approved by the U.S. Department of Housing and Urban Development (hereafter U.S. HUD), were followed.

(continued)

Indication of How the State Would Change Its Program As a Result of Its Experience

Based on the experience described above, the FFY 2014 Plan set aside the same proportion of funds for public facilities proposals and housing rehabilitation. It is expected that this change will result in actual distribution of funds that more closely reflects the proposed distribution in the Plan. It should also be noted that this year the federal allocation to New Jersey is reduced. This is due to reductions in the amount of funds awarded to the CDBG Program by Congress and the President or due to changes in the formula. It also reflects an increase in the number of entitlement cities and counties, therefore reducing the number of Small Cities eligible municipalities and counties. The FFY 2014 funding was slightly reduced by 1 percent from FFY 2013.

Evaluation of the Extent to Which the Program Benefited Low and Moderate-Income Persons

All grants awarded in the FFY 2014 program year met the statutory objective of Benefit to Low and Moderate-Income People. The majority of grants awarded met the low/mod standard through targeting or presumption, i.e., housing rehabilitation assistance limited to income-eligible households or barrier removal projects presumed to solely benefit people of low or moderate income or projects that benefit people with disabilities or suffering from homelessness. Accordingly, the combined benefit to people of low and moderate-income was 100%- far exceeding the 70% standard promulgated by HUD.

Funds Not Used for National Objectives

Anti-displacement and Relocation – for activities that involve acquisition, rehabilitation or demolition of occupied real property. No grants were awarded that involve displacement and relocation. Should relocation assistance be necessary grantees would be referred to the State's Relocation Support Program, which will assure compliance with the federal Uniform Relocation Act or Section 104(d) of the Housing and Community Development Act of 1974, as amended, and the State rules and regulations.

Low/Mod Limited Clientele Activities

A L/M Income Limited Clientele activity is an activity that provides benefits to a specific group of persons rather than everyone in an area generally. A Limited Clientele activity must exclusively benefit a clientele who are generally presumed by HUD to be principally L/M income persons, such as elderly persons, disabled adults and homeless persons. Seven projects were funded in this category. All of the seven awards were for ADA improvements benefiting the disabled, one program was to establish an alternative energy source to power a facility operated by a county ARC program, the others will be the removal of architectural barriers that hinder access by the disabled. The programs will provide 100 percent benefit to this HUD classified group (LMC).

Program Income Received and Financial Adjustments

All awards are in the form of a grant to eligible municipalities and county governments. Generally the grant agreement contains provisions that do not allow grant awards to generate program income, and if it does it is to be returned to the Small Cities CDBG Program. However, grantees that are carrying out housing rehabilitation are encouraged to establish a housing rehabilitation revolving loan fund with all or a portion of the grant funds that are recovered after the grant agreement has been completed. Also, ED and ID grants require loan agreements in order to pass funds to a third party. Refer to the section below for more information on the third party loans.

Prior Period Adjustments

All completed grant awards and cancelled obligations are closed in accordance with the CDBG Program requirements and remaining balances are reprogrammed back into the account for new awards to eligible local governments.

(continued)

Loans and Other Receivables

All awards are in the form of a grant to local government. The state CDBG Program has made it a policy to encourage grantees to capitalize local revolving housing rehabilitation funds, which many local governments have opted to do. Innovative Development Fund (IDF) awards to local governments for pass through to a third party require a loan agreement that is managed and held by the local government. IDF awards carry a deferred loan which last the life of the improvement, or contain the provision for repayment if the property is sold or transferred and it no longer provides benefit to low and moderate-income people. The grantee must revolve the funds back into another project of equal funding that will provide benefit to low and moderate income people, or that at least meets one of the CDBG program's national objectives. These awards carry the provisions for securing the funds usually in the form of a lien on the property with provisions for repayment to the local government for reuse in the same manner as the original loan. The grantee is required to have a plan for the reuse of funds that complies with the provisions of the original grant agreement, specify compliance with CDBG Program regulations and for benefit to low and moderate-income people, or that they meet at least one of the CDBG Program's National Objectives. Grantee must receive approval from the NJ Small Cities Program before changing the plan for the reuse of funds. There were no instances that funds were repaid during this program year. Repayment occurs funds are awarded and disbursed to eligible applicants in the next year's program year through IDIS less the standard three percent for program administration.

Housing Rehabilitation

Awards to local government for housing programs are in the form of a grant to rehabilitate single family owner occupied housing.

Neighborhood Revitalization Strategies

There are no federally designated EZs or ECs in the eligible Small Cities CDBG municipalities and counties.

Civil Rights

Before funds are disbursed, each grantee must obtain the Department's approval of its Statement of Actions to Affirmatively Further Fair Housing. The purpose of the statement is to identify actions the grantee has taken and will take to assure ongoing compliance with State and federal fair housing laws. The requirements regarding this statement are found in federal regulations (24 C.F.R. Part 570.904). Compliance with this law is required in Section C of the grant agreement with the Department.

Information is provided to the grantee through the Civil Rights section of the Program's handbook, which is posted on the internet at <http://www.nj.gov/dca/divisions/dhcr/offices/cdbg.html>. Information concerning federal and New Jersey State fair housing laws, and how to file a housing discrimination complaint with either federal or State enforcement agencies can be found by going to the Program's website as listed above and going to the Civil Rights/Fair Housing section.

Actions to Affirmatively Further Fair Housing

The following list of actions, some required and some suggested, are presented to the grantee to assist with preparing an acceptable Statement of Actions to Affirmatively Further Fair Housing.

Please note that the first four actions are required:

(Required) Adopt a Statement of Actions to Affirmatively Further Fair Housing and Appoint a Fair Housing Officer for the municipality or county. The appointed officer must be a resident of the community (a sample resolution is provided in the handbook).

(Required) Contact the HUD Regional Office of Housing and Equal Employment and the N.J. Division on Civil Rights and request Fair Housing information. (See attached form letters to HUD and the NJ Division on Civil Rights and/or obtain information through the Program's fair housing website (as listed above).

(continued)

(Required) Implement a local fair housing counseling program including a referral service to appropriate State and federal enforcement agencies for enforcement of fair housing laws.
