

INTERLOCAL SERVICES AGREEMENTS

BALLFIELDS

SCOPE OF SERVICES

Activity

The Provider is restricted to the development of [insert number] usable little league girls' softball fields on the Recipient's school property.

DESIGN

Provider Design

The facility installed by the Provider shall be designed, built and maintained in a manner that is appropriate to planned and foreseeable activities.

Recipient Review

Plans for the location, design and construction of these fields shall be submitted to the Recipient for acceptance before any development begins.

Site Restoration

The Provider shall be responsible for the repairs and restoration of any and all areas disturbed during construction.

CONDITIONS OF USE

Hours of Use

Nothing shall limit the right of the Recipient to use the fields during or after school hours for the benefit of the students.

Conditions Of Provider Use

Any events scheduled by the Provider shall be in accordance with the Recipient's facility use procedures and shall be submitted to the Recipient.

Cleanup

The Provider shall be responsible for the cleanup and removal of all refuse following each Provider event.

Repair Of Damage

The Provider shall be responsible for the repair of damaged Recipient's property and grounds by persons who are using the fields at any of the Provider's events.

INTERLOCAL SERVICES AGREEMENTS

- Maintenance* The Provider shall be responsible for all maintenance, repairs, necessary drainage, improvements and upkeep of the fields to keep them in usable condition.
- Mowing* The Provider shall be responsible for the cost and scheduling of mowing the grass associated with the playing areas of the fields throughout the year.
- Safe Operation* The Provider shall maintain the areas in a manner which permits for their safe operation at all times.
- Supervision* The Provider will be responsible for arranging and providing supervision before, during, and following its events until all participants and spectators have left the Recipient's property.
