

INTERLOCAL SERVICES AGREEMENTS

CONSTRUCTION PROJECTS

SCOPE OF SERVICES

*Lead Agency*

The Provider shall be the lead agency in connection with the construction project shown on the specified plans.

*Engineering Services*

The Provider shall retain the engineer to be in charge of preparing bid specifications and making the necessary inspections.

*Legal Counsel*

The Provider shall retain legal counsel and provide such other administrative services as may be necessary.

*Share Costs Equally*

The Provider and the Recipient shall equally divide the cost.

*Funds Available*

The Provider and the Recipient represent they have sufficient funds currently available.

*Easements Acquired*

The Provider and the Recipient represent that all necessary easements have been acquired.

*Monthly Progress Reports*

The Provider will submit monthly progress reports.
