

LOCAL FINANCE NOTICE

SFY 2003 Statement of State Aid

Enclosed with this Local Finance Notice is your municipality's Statement of State Aid for inclusion with your first and second quarter 2003 tax bills.

These Statements have been e-mailed to Chief Financial Officers and Tax Collectors who participate in GovConnect and mailed through regular mail those Tax Collectors not yet in the system. The CFO should **immediately provide** this information to the Tax Collector. A spreadsheet with the data for all municipalities is available on the Division's web site at: www.nj.gov/dca/lgs/muniaid/aidmenu.htm.

The Statement must either be printed on your municipality's property tax bill, or reproduced and included as an insert with the tax bill sent to property owners. Local Finance Notices 92-11 and CTC-95-1 have additional background information on the process. The Statement is required pursuant to N.J.S.A. 54:4-65.

Extraordinary Aid

Recipients of Extraordinary Aid in SFY 2003 must remember that Extraordinary Aid is designed to provide short-term local property tax relief resulting from extraordinary circumstances beyond the control of the municipality. Municipalities that receive aid are expected to take the appropriate budgetary and financial measures necessary to eliminate the need for Extraordinary Aid next year.

REAP Program Information

The State budget included REAP property tax credits for those municipalities where the average amount of property tax relief to a residential property exceeds \$100. Those municipalities have been previously notified of the award and the amount is shown on their Statement.

Those municipalities that use pre-printed tax bills that already have the REAP column in the Statement of State Aid section can insert a "N/A" or other pre-printed symbol to reflect that the column is not applicable to the municipality. Alternatively, the REAP column from the Statement of State Aid section can be deleted. Tax collectors in municipalities that receive REAP tax relief are reminded that REAP is also credited on tax bills of Class 4C (apartment) parcels. REAP aid will appear on Tenant Property Tax Rebate notices and must be rebated by landlords to their tenants.

Statement of State Aid

The formula for calculating the amount of aid on the Statement includes the following programs:

The Municipal Government line includes:

- Consolidated Municipal Property Tax Relief Aid (entire amount prior to pension savings reduction)
- Energy Receipts Tax — all payments
- Legislative Initiative Municipal Block Grant
- Extraordinary Aid
- Garden State Trust Payment in Lieu of Taxes

The Local and Regional School District line includes:

- Department of Education allocation of State aid funds.
- Regional district aid is apportioned on the same basis as property taxes for the district.
- Estimates of the State's payment and social security costs and Type1 and Type 2 debt service aid (even though actually paid to the municipality). Unlike in prior years, there is no pension appropriation made in FY 2003.

The County portion includes:

- CY 2002 estimated cost savings from the State program assuming certain human service costs, which took effect in 1991
- CY 2002 State resources utilized in the assumption of county court costs
- Apportionment of State education aid provided to County Special Services and Vocational Education Districts (including social security costs and debt service aid)

A certification must be completed by the tax collector and sent to the Division certifying the mailing of the Statement of State Aid. The certification is on the bottom of the enclosed Statement.

If your Statement is needed for reproduction and was damaged in transit or otherwise unusable, please call the Division at (609) 292-4806 for a replacement. CFO's are asked to share this notice and the form with your Tax Collector immediately.
