

LOCAL FINANCE BOARD - MUNICIPAL PORT AUTHORITIES

5:30-10.1 (Reserved)

5:30-10.2 Approval of municipal port authorities obligations; municipal guarantees of authority bonds; financing agreements; and leases, sales or dispositions of real property

- (a) No authority shall adopt any final resolution authorizing:
1. The issuance of bonds, notes, mortgages or other obligations;
 2. The entry into any agreement providing for a municipal guarantee of authority bonds;
 3. The entry into any financing agreement; or
 4. The entry into any agreement for the leasing, sale or disposition of real property unless and until it shall have obtained the approval of the Local Finance Board to do so.
- (b) Prior to the adoption of any such proposed resolution, the authority shall submit the proposed resolution to the Local Finance Board for review and approval.
- (c) The Local Finance Board may, by resolution adopted within a reasonable time, approve or disapprove any such resolution proposed by the authority, or may require changes in the proposed resolution.
- (d) The Local Finance Board shall, in the course of its review, give consideration to:
1. The nature, purpose and scope of the proposed project financing or of the lease, sale or disposition of real property;
 2. The engineering and feasibility studies or appraisals prepared in connection therewith;
 3. The terms and provisions of the proposed agreements for the lease, sale or disposition of real property, financing agreements, security agreements and, in the instance of a negotiated offering, the proposed or maximum conditions of sale;
 4. The proposed or maximum schedule of debt service payments required and the impact thereof on the budget and financial condition of the authority and of the local unit or units which created the authority;
 5. The estimate of the annual cost of operating and maintaining the project as set forth in the engineering report and feasibility studies; and the initial rate, rent, fee or change schedule or structure proposed by the authority, or other proposed method of raising the amounts required to finance the operations of the authority, pay debt service on its obligations and maintain reserves required by law, regulation or term of contracts and agreements. The Local

Finance Board may examine the estimates, computations or calculations made in connection with this submission, may require the submission of any papers, documents, appraisals, witnesses, information, audits or investigations and may take any action which it may determine advisable in connection with this project.

- (e) If after such review and consideration, the Local Finance Board determines that the project cost has been accurately determined, that the method for funding the project and the proposed financing arrangements are reasonable and feasible, that the proposed arrangements would not impose an undue financial burden on the authority, the local unit or the residents of the local unit which created the authority and would not materially impair the credit of the authority of the local unit or substantially reduce their ability to pay punctually the principal and interest on their outstanding indebtedness and supply essential public services and improvements; and in the case of a lease, sale or disposition of real property, that the terms of the lease, sale or disposition are fair and reasonable in light of current market conditions, it shall approve the resolution proposed by the port authority.
- (f) The Local Finance Board may waive the provisions of (d) and (e) above when the proposed financing agreement, guarantee agreement or debt authorization does not exceed \$50,000 or when the proposed agreement for the leasing, sale or disposition of real property does not exceed an annual rental or total sale proceeds of \$15,000.
- (g) At any time within 12 months after approval of the Local Finance Board, the authority may adopt the resolution so approved and, after adoption, shall immediately transmit a copy to the Local Finance Board. Failure of any authority to act within 12 months after approval by the Local Finance Board will void the resolution adopted by the Local Finance Board.
