RE: Community Development Block Grant-Disaster Recovery Atlantic City Resilience Program

Dear Mr. Sherman:

The NJ Division of Fish & Wildlife (DFW) agrees that the proposed project & locations are not located within a mapped piping plover or red knot boundary and would be unlikely to pose any risk to these species.

The comments and recommendations of the NJ Division of Fish and Wildlife's (DFW), Office of Environmental Review (OER) are subject to change, if any additional environmental issues or concerns, that may negatively affect resources under the purview of the DFW are discovered during pre-construction surveys, or the construction phase. The OER should be contacted upon discovery at (908) 236-2118 or (609) 292-9451

If there are any questions concerning these comments, please feel free to contact me at (609-960-4502). We hope this information is of service to you.

Sincerely,

Kelly Davis
NJ Division of Fish & Wildlife
