Dear Mr. Sherman:

As Deputy State Historic Preservation Officer for New Jersey, in accordance with 36 CFR Part 800: Protection of Historic Properties, as published in the *Federal Register* on December 12, 2000 (65 FR 77725-77739) and amended on July 6, 2004 (69 FR 40544-40555), I am providing consultation comments for the following proposed undertaking:

**Atlantic County, Atlantic City
Bulkhead Replacement along the Back Bay
North Jackson Avenue to North Trenton Avenue
New Jersey Department of Community Affairs
United States Department of Housing and Urban Development (HUD)
Community Development Block Grant Disaster Recovery (CDBG-DR)**

Thank you for providing the Historic Preservation Office (HPO) with the opportunity to comment on the potential for the above-referenced undertaking to affect historic properties. The comments below are in response to your letter and supporting documentation received by the HPO on May 6, 2020.

800.4 Identification of Historic Properties

It is our understanding that the Department of Community Affairs intends to use HUD-CDBG-DR funds to replace the bulkhead along the back bay of Atlantic City between North Jackson Avenue and North Trenton Avenue. Based upon our review of the submitted documentation, the subject property is not located within or adjacent to any property on, or eligible for listing on, the New Jersey and National Registers of Historic Places (NRHP.) Furthermore, it does not appear that the property retains integrity sufficient to be individually eligible for listing on the NRHP. Therefore, I find that there are **no historic properties affected** by the proposed undertaking. Consequently, pursuant to 36 CFR 800.4(d)(1), no further Section 106 consultation is required unless additional resources are discovered during project implementation pursuant to 36 CFR 800.13.

Additional Comments:

Please reference the HPO project numbers **20-1103** in any future calls, emails, or written correspondence to help expedite your review and response. If you have any questions, please feel free to contact Lindsay Thivierge of my staff at (609) 292-4091 or via email at lindsay.thivierge@dep.nj.gov.
