Money Follows the Person Housing Partnership Program

What is Money Follows the Person Housing Partnership Program (MFPHPP)

- The program is a partnership between the NJ Housing & Mortgage Finance Agency (HMFA) and the NJ Department of Human Services, Division of Aging Services (DoAS)
- Funding for the MFPHPP comes from the Money Follows the Person (MFP) Rebalancing Fund
What is Money Follows the Person (MFP):

- MFP is a demonstration program created by the Federal Government to assist individuals transitioning from institutions into a community setting.
- MFP provides states with an enhanced federal reimbursement for the cost of services provided to individuals who enroll on a Medicaid Waiver when they move to the community.
- The enhanced federal reimbursement, known as “rebalancing funds,” are being utilized to fund the MFPHPP.
