

## NJ DCF FATHERHOOD ENGAGEMENT COMMITTEE

*Dads Achieving Dynamic Success*

The Fatherhood Engagement Committee (FEC) is convened by the NJ Department of Children and Families' (DCF) Office of Family Voice to build and sustain momentum for a statewide focus on supporting fathers in NJ communities and promoting active fatherhood across the state.

FEC members include representatives from DCF, state agencies, community partners, and fathers that have first-hand lived experience with DCF.

Quarterly FEC meetings are a place for members to coordinate, share resources and highlight accomplishments and activities that are improving fatherhood engagement across the state.

### FEC MEMBERSHIP CRITERIA

Any stakeholder who works with fathers in NJ and wants to improve father engagement is welcome.

### 2025 FEC SCHEDULE
