<sup>1</sup> Some children may be served by both CP&P and CSOC and are over-represented in the final count of children served in the month.

<sup>2</sup> The definition for "Youth Open with CSOC" reflects youth who are involved and eligible to receive services through CSOC.

<sup>3</sup> FCP measures clients served in SBYSP and DV Services. Since Family Success Centers and Home Visitation programs report data in terms of families served, each family is assumed to have at least one client.

<sup>4</sup> DoW measures clients served in SAARC and Displaced Homemakers. RPE measures doses or activities provided and does not allow for an unduplicated count of clients served.

<sup>5</sup> Families served by DCF includes CP&P families and FCP families. FCP families served data has a one month lag.

<sup>6</sup> CSOC Children may receive multiple services and are counted multiple times.

<sup>7</sup> FCP quick facts are based on new families for FSCs, but both new and ongoing clients for Home Visiting and SBYSP. DoW quick facts are based on new clients for DV Services, but both new and ongoing clients served for SAARC, Displaced Homemakers and Rape Prevention Education.

<sup>8</sup> The cumulative number of human trafficking referrals between November 2013 and January 2016 was 278.

<sup>9</sup> Appropriate use of shelters include 1) alternative to detention 2) short term placement of an adolescent in crisis not to extend beyond 30 days 3) a basic center for homeless youth.
