ALLEGATIONS	FINDINGS	RESULTS
1. Inadequate feeding procedures: The center may not be informing parents of repetitive feeding issues occurring at the center as parents will ask a named staff why the children aren't eating the food sent in from home and the named staff says only the child doesn't want it.	1. At the time of the investigation, several children did not eat their lunch and no alternate food was provided to them. Interviews with the staff indicated that there are no procedures in place for notifying parents of children's feeding issues and parents are not informed of feeding problems with their children. Interviews with the director indicated that she was not aware of any children's feeding issues. The center needs to ensure that adequate feeding procedures are adhered to at all times, including notifying parents of feeding concerns with their children and providing alternate food options to children who do not eat their meal.	1. Substantiated

Observation at the center revealed that the center:	As a result of this inspection 2 violation(s) applicable to the allegations were cited and 5 additional violation(s) were cited.
