ALLEGATIONS	FINDINGS	RESULTS	
1. Inadequate staff/child ratios: On 6/15/2017 between 9:00am to 10:00am adequate staff/child ratios were not maintained in all classrooms throughout the center.	1. At the time of the investigation, adequate staff/child ratios were maintained in all classrooms. However further observations on the outdoor play area revealed that staff left to go inside the building and at that time adequate staff/child ratios were not maintained on the outdoor play area. Interviews with the director and staff indicated that adequate staff/child ratios are maintained at all times including on the day in question. A review of documentation including staff and children sign-in sheets revealed that adequate staff/child ratios were maintained on the day in question. The center needs to ensure that adequate staff/child ratios are maintained at all times including during times when staff need to leave the classroom or area to attend to other duties outside the classroom or away from the group.
