ALLEGATIONS	FINDINGS	RESULTS
1. The center is not meeting the needs of the child: A child said that the school is not feeding her breakfast and this happened on 2 occasions.	1. Interviews with the director and staff and a review of documentation revealed that the center developed a written policy stating that breakfast will be served between the hours of 8:30am and 9:00am daily and no breakfast will be served after 9:00am. The policy was signed and received by all parents. Further interviews with the director and staff indicated that the first time a parent forgets about the 9:00am cut off, they will serve breakfast to the child and then review the policy with the parent at pick-up time. Although due to interviews and documentation it appears that the center adhered to their policy and this allegation could not be substantiated, the center needs to amend the policy to ensure that a child who arrives late and is not eligible for the breakfast, is provided with a snack.	1. Unsubstantiated

Observation at the center revealed that the center:	As a result of this inspection 0 violation(s) applicable to the allegations was cited and 2 additional violation(s) were cited.
