1. Unsafe conditions: Staff take the three to four year old children on walking trips along a busy roads and through construction areas. Additionally, the door to the center is left open.	1. At the time of the investigation, the front door to the center was closed and secure. Interviews with the director and staff indicated that the front door is always closed and locked. However the children were observed taking walks through the neighborhood on busy roads and through construction sites. Further interviews with the director and staff confirmed that the staff walk with the children on busy roads and through construction sites regularly. The center needs to immediately cease walking the children on unsafe, busy roads and through construction sites and ensure that safe conditions are maintained at all times.	X
