**WHEN TO USE IT**

This federally required form is used to identify and plan for newborns affected by substance use or withdrawal symptoms. This form allows the Worker to document service needs for the child and family. This form is a template designed for on-line use.

**HOW TO USE IT**

This form is currently not a NJ SPIRIT form. The Worker accesses the form by the hyperlink above. The Worker fills out the information on the form using the “Tab” key to navigate from field to field. Embedded instructions have been provided for clarity. **Note:** Use official agency letterhead while utilizing this form.

**OTHER RELATED INFORMATION**

The companion policy for this form can be accessed at clicking the hyperlink below. [Plan of Safe Care for Infants Identified at Birth and Affected by Substance Use or Drug Withdrawal](#)
