WHEN TO USE IT

This form is used by the Resource Family Support Worker (RFSW) during the initial stages of the home study process. The information gathered on the Financial Statement is used to assist in the assessment of the applicant's ability to provide for the well being of the child and to determine whether the applicant has income, or other means of financial support, that makes the family economically independent of the expected board rate.

HOW TO USE IT

The form is completed during the home visit along with the resource parent applicant(s). The RFSW informs the applicant that all the money received on behalf of the child in placement is for that child's care.

Verification of sources of income are also gathered and attached to the form.
