### WHEN TO USE IT

In accordance with Federal Regulation No.11, the ICPC Supervision Report - 90 Day, is used to report on the safety and well-being of children placed in New Jersey from an out-of-state entity. This is a federal form which is completed by CP&P staff. See [CPP-VIII-D-3-1200](#) for the full text of Regulation No.11.

This form is used by the assigned Worker and/or Supervisor for out-of-state youth placed in New Jersey (the receiving state). Workers complete this form at the 90 day point from receipt of the ICPC [100B](#), and every 90 days thereafter, until permanency is achieved. See CP&P Policy [CP&P-VIII-D-2-200](#) and [CP&P-VIII-D-2-600](#).

### HOW TO USE IT

- Write the report in a clear and concise manner and be sure to note the level of safety and well-being of the child.
- Include the following items in every 90 day report:
- For school aged children, include all pertinent school information and attach copies of the most current report card, IEP, and school related evaluations.
- Attach current health, medical, and dental records. Use CP&P Form [11-10](#), Health Passport and Placement Assessment, found in the on-line Forms Manual.
- Include a full assessment of the current placement and the child's caregivers.
- Provide an explanation of the current permanency plan and whether the permanency goal has changed in the last 90 day period.

- Note any unmet needs along with recommendations to address those needs.
- Workers and/or Supervisors check the appropriate text boxes to indicate whether it is their recommendation to continue the placement, continue supervision, or to terminate supervision.
- Once the recommendation for continued placement and supervision has been made, the Worker and/or Supervisor check the appropriate text boxes to indicate concurrence with the permanency goal, whether or not to return the child to the parent and terminate jurisdiction, whether to establish guardianship, and whether or not there are other specific outstanding permanency issues.
- At this point, send the completed form to the Interstate Services Unit (ISU) for processing. Complete and forward this form electronically to the ISU dedicated mailbox at: [dcf.njicpc@dcf.state.nj.us](mailto:dcf.njicpc@dcf.state.nj.us). Workers may also elect to complete the form and send the original hard copy via Inter-office mail to the ISU, Cost Code 916.

### **TIPS FOR COMPLETING THE FORM**

Local Offices: Do not forward this form to out-of-state entities. All ICPC supervision reports are processed through the New Jersey Interstate Services Unit.

Attach Minimum Visitation Requirement (MVR) contact notes and copies of collateral contacts to the Supervision Report at the discretion of supervisory staff.
