#### **SPARS**

CHR-P grant recipients are required to collect and report certain data so SAMHSA can meet its obligation under the Government Performance Results Act (GPRA) Modernization Act of 2010. These data are gathered using SAMHSA's Performance and Accountability Reporting System (SPARS). CHR-P recipients are required to collect and report data for two types of data: one data set (infrastructure or IPP) is reported on a quarterly basis; the second data set is for the national outcome measures (NOMS) and data are collected and reported at baseline (i.e., upon entry of each client into the project), at six-month follow-up and at discharge. Recipients are required to do the following:

- 1. Complete SPARS Annual Goals training and enter NOMS and IPP annual goals data into SPARS by December 30, 2022;
- 2. NOMS Data: begin entering NOMS baseline interview data into SPARS within 7 calendar days after completion of each intake interview; conduct a NOMs reassessment interview and enter these data into SPARS six months following the intake interview and every 6 months thereafter; and complete a Clinical Discharge NOMS interview and enter data into SPARS at the time of client discharge;
- 3. IPP Data: collect and begin reporting IPP data into SPARS during the 2nd quarter (January March 2023) and quarterly thereafter.

Information about SPARS training and data reporting will be provided upon award.

#### **Risk Assessment**

If the review discloses material weaknesses or other financial management concerns, grant funding may be restricted in accordance with 45 CFR 75/2 CFR 200, as applicable. The restriction will affect your organization's ability to withdraw funds from the Payment Management System account, until the concerns are addressed.

#### STANDARD TERMS AND CONDITIONS

#### **Annual Federal Financial Report (FFR or SF-425)**

All financial reporting for recipients of Health and Human Services (HHS) grants and cooperative agreements will be consolidated through a single point of entry, which has been identified as the Payment Management System (PMS). The Federal Financial Report (FFR or SF-425) initiative ensures all financial data is reported consistently through one source; shares reconciled financial data to the HHS grants management systems; assists with the timely financial monitoring and grant closeout; and reduces expired award payments.

The FFR is required on an annual basis no later than 90 days after the end of each Budget Period. The FFR should reflect cumulative amounts. Additional guidance to complete the FFR can be found at <a href="http://www.samhsa.gov/grants/grants-management/reporting-requirements">http://www.samhsa.gov/grants/grants-management/reporting-requirements</a>.

SAMHSA reserves the right to request more frequent submissions of FFRs. If so, the additional submission dates will be shown below.

Your organization is required to submit an FFR for this grant funding:

o By December 28, 2023, submit the Federal Financial Report (FFR)/(SF-425).

Effective January 1, 2021, recipients can connect seamlessly from the **eRA Commons FFR Module** to **PMS** by clicking the "**Manage FFR**" button on the "**Search for Federal Financial Report (FFR)**" page.

- Recipients who <u>do not have access</u> to PMS may use the following instructions on how to update user permission: <a href="https://pms.psc.gov/grant-recipients/access-newuser.html">https://pms.psc.gov/grant-recipients/access-newuser.html</a>.
- Recipients who <u>currently have access</u> to PMS and are submitting or certifying the FFR on behalf of their organization, should login to PMS and update their permissions to request access to the FFR Module using the following instructions: <a href="https://pms.psc.gov/grant-recipients/access-changes.html">https://pms.psc.gov/grant-recipients/access-changes.html</a>.
  - Instructions on how to submit a FFR via PMS are available at <a href="https://pmsapp.psc.gov/pms/app/help/ffr/ffr-grantee-instructions.html">https://pmsapp.psc.gov/pms/app/help/ffr/ffr-grantee-instructions.html</a> (Must be logged into PMS to access link)

If you have questions about how to set up a PMS account for your organization, please contact the PMS Help Desk at PMSSupport@psc.hhs.gov or 1-877-614-5533.

<u>Note</u>: Recipients will use PMS to report all financial expenditures, as well as to drawdown funds; SAMHSA recipients will continue to use the eRA Commons for all other grant-related matters including submitting progress reports, requesting post-award amendments, and accessing grant documents such as the Notice of Award.

# **Annual Programmatic Progress Report**

By December 28, 2023, submit via eRA Commons.

The Programmatic Report is required on an annual basis and must be submitted as a .pdf to the View Terms Tracking Details page in the eRA Commons System no later than 90 days after the end of each 12-month budget period.

The Annual Programmatic Report must, at a minimum, include the following information:

- Data and progress for performance measures as reflected in your application regarding goals and evaluation activities.
- o A summary of key program accomplishments to-date.
- Description of the changes, if any, that were made to the project that differ from the application for this budget period.
- Description of any difficulties and/or problems encountered in achieving planned goals and objectives including barriers to accomplishing program objectives, and actions to overcome barriers or difficulties.

Note: Recipients must also comply with the GPRA requirements that include the collection and periodic reporting of performance data as specified in the FOA or by the Grant Program Official (GPO). This information is needed in order to comply with PL 102-62, which requires that Substance Abuse and Mental Health Services Administration (SAMHSA) report evaluation data to ensure the effectiveness and efficiency of its programs.

The response to this term must be submitted as .pdf documents in eRA Commons. Please contact your Government Program Official (GPO) for program specific submission information.

For more information on how to respond to tracked terms and conditions please refer to <a href="https://www.samhsa.gov/grants/grants-training-materials">https://www.samhsa.gov/grants/grants-training-materials</a> under heading How to Respond

#### to Terms and Conditions.

Additional information on reporting requirements is available at <a href="https://www.samhsa.gov/grants/grants-management/reporting-requirements">https://www.samhsa.gov/grants/grants-management/reporting-requirements</a>.

#### Standard Terms for Awards

Your organization must comply with the Standard Terms and Conditions for the Fiscal Year in which your grant was awarded. The Fiscal Year for your award is identified on Page 3 of your Notice of Award. SAMHSA's Terms and Conditions Webpage is located at: <a href="https://www.samhsa.gov/grants/grants-management/notice-award-noa/standard-terms-conditions">https://www.samhsa.gov/grants/grants-management/notice-award-noa/standard-terms-conditions</a>.

#### **Reasonable Costs for consideration**

Recipients must exercise proper stewardship over Federal funds and ensure that costs charged to awards are allowable, allocable, reasonable, necessary, and consistently applied regardless of the source of funds according to "Reasonable Costs" consideration per 2 CFR § 200.404 and the "Factors affecting allowability of costs" per 2 CFR § 200.403. A cost is reasonable if, in its nature and amount, it does not exceed that which would be incurred by a prudent person under the circumstances prevailing at the time the decision was made to incur the cost.

#### **Consistent Treatment of Costs**

Recipients must treat costs consistently across all federal and non-federal grants, projects and cost centers. Recipients may not direct-charge federal grants for costs typically considered indirect in nature, unless done consistently. If part of the indirect cost rate, then it may not also be charged as a direct cost. *Examples of indirect costs include (administrative salaries, rent, accounting fees, utilities, office supplies, etc.)*. If typical indirect cost categories are included in the budget as direct costs, it is SAMHSA's understanding that your organization has developed a cost accounting system adequate to justify the direct charges and to avoid an unfair allocation of these costs to the federal government. Also, note that all awards are subject to later review in accordance with the requirements

of <u>45 CFR 75.364</u>, <u>45 CFR 75.371</u>, <u>45 CFR 75.386</u> and <u>45 CFR Part 75</u>, <u>Subpart F</u>, <u>Audit Requirements</u>.

#### **Compliance with Award Terms and Conditions**

FAILURE TO COMPLY WITH THE ABOVE STATED TERMS AND CONDITIONS MAY RESULT IN ACTIONS IN ACCORDANCE WITH 45 CFR 75.371, REMEDIES FOR NON-COMPLIANCE AND 45 CFR 75.372 TERMINATION. THIS MAY INCLUDE WITHHOLDING PAYMENT, DISALLOWANCE OF COSTS, SUSPENSION AND DEBARMENT, TERMINATION OF THIS AWARD, OR DENIAL OF FUTURE FUNDING.

All previous terms and conditions remain in effect until specifically approved and removed by the Grants Management Officer.
