****This training meets the requirements for CSOC certifications. Certificates of Attendance will be distributed only to those who attend all sessions in full. CEU credits are not offered for this training.****

How to Access Training: Once you have completed registration for this training, you will receive a separate email with a link to the live webinar two business days prior to the program. The email will be sent to the email address associated with your registration profile.

Training Format: Live webinar via Webex

The goal of this training is to introduce participants to the Nurtured Heart Approach for supporting children and youth.

Target Audience: Social Workers, LMFTs, LPCs, and others who support children, youth and families

Training Objectives - participants will be able to:

1. Describe the conceptual framework of the Nurtured Heart Approach.
2. Discuss the three stands of the Nurtured Heart Approach.
3. Demonstrate four ways to recognize and energize positive behaviors, within a cultural context.
4. Discuss how to effectively set and enforce clear limits when working with youth.

This Training will be presented by a Certified Nurtured Heart Trainer - The Nurtured Heart Approach® is a relationship-focused methodology founded strategically in The 3 Stands™ for helping children (and adults) build their Inner Wealth® and use their intensity in successful ways. It has become a powerful way of awakening the inherent greatness in all children while facilitating parenting and classroom success.
