Section I – General Information

A. Purpose:

The New Jersey Department of Children and Families’ (DCF) Division of Children’s System of Care (CSOC) will provide financial support towards summer camp for families of children, youth, adolescents and young adults with intellectual/developmental disabilities throughout New Jersey. As with all services provided through CSOC, financial support toward summer camp tuition is based on available resources in a given fiscal year. The amount available per child, youth or young adult is capped and may vary by year and by the number of families that apply.

CSOC financial support toward summer camp tuition is the funding source of last resort. Families/Caregivers are encouraged to explore all avenues for funding summer camp tuition such as contacting local recreation departments and civic groups, and asking camp providers about the availability of scholarships.

CSOC will provide financial support toward summer camp tuition solely for camps on the Qualified Provider (QP) list located at www.performcarenj.org.

Qualified camp providers serve as a valuable resource for children, youth, or young adults (collectively referred to as “youth”) with intellectual/developmental disabilities eligible to receive services through the Division of Children’s System of Care (CSOC) in the Department of Children and Families (DCF).

The family/caregiver must register the youth with the camp before initiating the request for CSOC financial support toward summer camp tuition.

Financial support is contingent upon available resources in a given fiscal year.

An official letter of Qualification will be mailed to the applicant, along with the billing instructions upon approval of application.

Camps need to be approved through the RFQ in order to be on the qualified provider list. Camps must be physically located within the State of New Jersey.
Please note, if you applied to become a qualified camp provider in 2014 under the RFQ posted specifically for counties affected by Superstorm Sandy, you are required to re-apply under this RFQ.

All other Summer Camps previously qualified through the Children’s System of Care are not required to re-apply. Your DCF contract administrator will contact you regarding your status and annual submission requirements.

B. Background:

The New Jersey Department of Children and Families is the state’s comprehensive agency dedicated to ensuring the safety, well-being and success of children, youth, families and communities. Our vision is to ensure a better today and even a greater tomorrow for every individual we serve. Within the Department, the Children’s System of Care (CSOC) serves children, youth, adolescents, and young adults with emotional and/or behavioral healthcare challenges, intellectual and/or developmental disabilities, and/or in need of addiction services. CSOC is committed to providing these services based on the needs of the child and family in a family-centered, strength-based, culturally competent, and community-based environment. CSOC believes that the family or caregiver plays a central role in the health and well-being of children and involves families throughout the planning and treatment process in order to create successful life experiences for their children.

DCF will provide financial support to eligible children and their families for camp. Since CSOC financial support toward summer camp tuition is not guaranteed, families/caregivers should consider their financial ability to pay the balance that exceeds the CSOC tuition cap. Families/caregivers are responsible for the cost of summer camp tuition minus any financial support provided by CSOC.

Children, youth and young adults who reside in Community Care Residences and out of home treatment settings, including but not limited to: Treatment Homes, Specialty Homes, Skill Development Homes, Group Homes, Residential Treatment Centers and Psychiatric Community Homes, are not eligible to receive CSOC financial support toward summer camp tuition.

DCF is seeking to approve summer camp providers, whose qualifications are overall conforming to this RFQ and who are able to work with children, youth, adolescents, or young adults under the age of 21 who have intellectual/developmental disabilities.
C. Roles and Responsibilities:

Employees of the Agency are required to pass a Tuberculin Skin Test (TB) and provide supporting documentation.

Employees of the agency are required to have background checks.

1. Once you become a qualified provider, CSOC will contact you with the appropriate steps for the background check process. CSOC is unable to accept CCUSA background checks.

2. A statement is required from the Executive Director certifying that s/he and all employees rendering services will have state and federal background checks with fingerprinting completed now and every two years thereafter. This statement is contained in the Checklist For Summer Camp Qualified Providers.

3. Each agency employee providing services must complete the employee certification form that is provided as part of this RFQ. Form is attached.

4. For camps that have not yet completed hiring camp staff, please submit the Employee Certification Form signed and dated by your Agency Head. Then submit the Employee Certification Form for each additional staff member at the time of hiring.

5. The cost of the fingerprinting criminal history background check to become a qualified summer camp provider will be paid for by the Department of Children and Families.

In addition, provider agencies must comply with N.J.S.A. 30:6D-73 et seq. Central Registry of Offenders Against Individuals with Developmental Disabilities. Agencies must assure that the names of all agency employees, volunteers, and consultants that provide services to children with intellectual/developmental disabilities shall be checked against those names in the central registry. Additional information can be found at http://www.state.nj.us/humanservices/staff/opia/central_registry.html

If you are not registered to access the registry, information to do so can be found at this website.

Agencies must also comply with Danielle’s Law: www.state.nj.us/humanservices/ddd/resources/info/danielleslawtrnee.html

THE PROVIDER AGREES TO:

1. Participate in a fee for service system which results in a list of providers qualified to render supports and services to individuals. Qualification does not guarantee a contract, funding or a particular fee;
2. Maintain status as a qualified provider of services by complying with all applicable federal, state and local laws, rules and regulations regarding licenses, certifications, accreditations and/or other credentialing entities.

3. Within five (5) business days, notify the Division of permanent loss, temporary suspension, or probationary status of all qualifying credentials, i.e. licenses, certifications, accreditations, insurance;

4. Ensure staff meet the minimum requirements for employment and receive training as or any other licensing, certifying or accreditation entities by which your agency is regulated;

5. Not subcontract any of the services you have committed to provide pursuant to this qualification;

6. Be in compliance with staff/participant ratios when providing facility based and/or community based services;

7. Comply with and accept the reimbursement schedule for services rendered as set forth by the Division as payment in full and not make any additional charges to the participant or others on his/her behalf;

8. Follow instructions for submission of invoices for services provided.

9. Limit billing procedure to receive payment for only the unit of service(s) authorized to the participant;

10. Promptly initiate and terminate billing procedures when a participant informs you your service(s) are no longer being requested;

11. Make available to the Division and/or its agents, at all reasonable times and places in New Jersey, the following if requested: documentation in participant’s records which will enable the Division, its agents or designee to verify that each charge is due and proper prior to payment;

12. Within five (5) business days, notify the Division of changes in Executive Director, name of agency, address, telephone number or contact person;

13. Notify the Division, in writing, thirty (30) days prior to the Provider’s decision to terminate this agreement;

14. Authorize Perform Care of New Jersey to list your agency as a DCF Qualified Camp Provider on the website.

15. Breach or violation of any one of the provisions in this RFQ is subject to immediate cancellation at the Division’s discretion.
THE DIVISION AGREES TO:

1. Pay for authorized services rendered by the Provider in keeping with the availability of State appropriations and on the basis of service provision in accordance with the billing requirements; but in no event will payment be made for service provision not in accordance with billing requirements;

2. Make such payments as promptly as feasible after proper payment vouchers and supportive documentation as defined by the Children’s System of Care are submitted and approved;

Qualified providers of summer camp services will be reimbursed according to the maximum rates in the below rate table for authorized eligible youth:

CSOC financial support toward summer camp tuition does not cover the following costs: camp registration, deposit, transportation to and from camp, trips taken during camp. Please be reminded that CSOC only provides financial assistance up to the maximum limits noted above for the daily camp rate. No additional funds shall be provided. The costs of camp services may not be fully covered by the CSOC financial assistance contribution. Additional days are the financial responsibility of the caregiver for payment.

When a determination regarding eligibility for CSOC financial support toward summer camp tuition has been made, the CSA will provide written notification of the outcome (approval/authorization, denial because eligibility criteria are not met, denial due to lack of resources) to the family and camp within 30 days.

Agencies are required to submit their invoices (claims) within 30 days of the date of service delivery.
