

Timeline - BSFT Implementation 2024-2027 – ONSITE Training
Sample of Pathway to Full Competency Training and subsequent Fidelity Program

March 2025	Trainee candidates were phone-interviewed by FFTIM. MOA Contract review and approval cycle.
March/April 2025	Timeline agreed upon to begin. Candidates recommended by FFTIM Institute Director.
April 2025	Online Pre-Organizational Readiness Workshop – 2 half-days DCPP to begin submitting referrals.
May 2025	Onsite Organizational Readiness Workshop – 1 day and BSFT Training Workshop # 1 (the following 3 days onsite) Site license issued-can provide services to families
May 2025	Supervision begins soon after Workshop 1. Each Trainee should see 3-5 families...Fewer will delay training/graduation. Trainees upload family videos to a shared drive, for us to review & counsel them on performance. Estimate 14 weekly sessions (barring vacations, holidays, personal time, etc.)
By June 2025	Trainee Workshop # 2 (2 days onsite) (within 3 weeks of onset of supervision)
September 2025	Trainee Workshop # 3 (2 days onsite). Dependent on number of families seen by a majority of the clinicians.
May – October 2025	Supervision continues. Ideally Trainees have begun to increase the # of families to a minimum of 5. Each Trainee is <i>estimated</i> to receive 16 weeks of Supervision, give, or take depending on competence. LACK OF FAMILIES WILL DELAY PANEL. Must treat 5 families to qualify for panel.
October/November 2025	<i>Projected</i> Competency Panel– Graduation!
December 2025– November 2026	Fidelity Adherence Program. Clinicians will receive a session every other month (6 times for the year. SEE NOTE BELOW. Graduated clinician selected to become BSFT site supervisor (BCS) and trained to be BCS, if desired. <i>*Ideally at July 2026 an onsite supervisor, BCS begins training.</i>
December 2026– November 2027	Fidelity Adherence Program continues with FFTIM Clinical Supervisor (unless BCS takes over this task). Clinicians will receive 4 quarterly sessions. <i>*SEE NOTE BELOW.</i>
December 2027 – November 2028	Fidelity Adherence Program continues (unless BCS takes over this task). Clinicians will receive 3 sessions---or might be customized depending on need. SEE NOTE BELOW. BCS may be trained to become BSFT Trainer (with personalized training plan).
During 2026 or later an onsite BSFT® Supervisor (BCS) may be created who could assume the adherence program of the Competency Team, remedial training, and the <i>supervision</i> of any potential new trainees. Eventually become Trainer?	

**Additional training and workshops to be scheduled as needed.*
