NOTE: School Districts may cross multiple municipalities. These school districts are only counted once for unique student counts and are identified in bold (highest ranking). Subsequent mentions of the school district are italicized. Municipalities are not identified where a school draws students from multiple districts (i.e., charter school, performing arts school, vocational school, etc.)

Needs Score reflected in the Table that follows is the sum of standard scores greater than 1 or 80th percentile.

NOTE: School Districts may cross multiple municipalities. These school districts are only counted once for unique student counts and are identified in bold (highest ranking). Subsequent mentions of the school district are italicized. Municipalities are not identified where a school draws students from multiple districts (i.e., charter school, performing arts school, vocational school, etc.)

Needs Score reflected in the Table that follows is the sum of standard scores greater than 1 or 80th percentile.
