If you would like to request NJ ACP brochures or materials, please email us at DOW@dcf.nj.gov or call 1-877-218-9133.

Calendar of Training Events.

The NJ Address Confidentiality Program (ACP) will be offering quarterly Application Assistant Trainings from our training academy.

In this two-hour training, attendees will be provided with a general overview of how the New Jersey Address Confidentiality Program works and how ACP services can strengthen a survivor's safety plan. Those who wish to become registered Application Assistants can complete the process at the end of the presentation.

We can accommodate small to large groups of attendees in each training and will fill spots on a first come first serve basis. Please know that in person trainings are also available upon request.

Request a Training Session

If you would like more information about the ACP or would like an in-person training for your agency, please complete the Training Request form (coming soon)

You may also contact the ACP directly at 1-877-218-9133 with any outreach related questions.
