

**Note:**

You may not need an air permit to operate your equipment if you meet the following:

1. The equipment is used to conduct construction, repair, or maintenance (CRM) activities in accordance with N.J.A.C.7:27-8.2(d)15 and N.J.A.C.7:27-8.2(d)16; <https://www.state.nj.us/dep/aqm/currentrules/Sub8.pdf>

OR

2. Your facility is a rental facility as stipulated in N.J.A.C.7:27-8.2(d)18; <https://www.state.nj.us/dep/aqm/currentrules/Sub8.pdf>

In addition, this General Permit (GP-019A) is valid for one year, and it will be automatically terminated after one year from the date of approval.
