# REQUEST TO DELAY STACK TEST OPERATING PERMITS

- Moving forward
  - Incorporate N.J.A.C. 7:27-22.18(k) text into the general provisions of all operating permits during any permitting action that has a public process (i.e., initial, significant modification, and renewal)
  - Must meet one of the four cases listed at N.J.A.C. 7:27-22.18(k)3
  - Still working out logistics within DAQ and with Enforcement
