If the Bureau issues a permit to the applicant, the permittee must comply with all permit requirements and all rules at N.J.A.C. 7:12 applicable to the holder of such a permit. Any permit holder who violates such permit requirements, or rules is subject to enforcement action. Such enforcement action may include, but not necessarily be limited to, suspension or revocation of the permit. The permit does not exempt the permittee from complying with all other applicable state laws and rules. By signing this application below, the applicant certifies that he or she understands and agrees to comply with all applicable state laws, rules, and permit requirements and conditions.
