NJDEP will review the information submitted and notify the applicant as to whether or not the proposed charging station(s) is approved. For those projects that qualify, NJDEP will provide and execute a grant agreement with the applicant.

Installation of the charging station(s) must be completed within one calendar year of the execution date of the agreement.

After installation, the applicant will submit invoices via the Reimbursement Request Form detailing costs of the project to the Bureau of Mobile Sources at *DriveGreen@dep.nj.gov*. The NJDEP will review these invoices to determine if costs are appropriate to the agreed upon project, and if so, issue a check for the approved grant amount not to exceed invoices.
