Virtual Information
Session!**

WE KNOW THAT...

By September 1, 2020, the Chief Resilience Officer, with the support of the Interagency Council on Climate Resilience, will deliver to the Governor a Climate Change Resilience Strategy to promote the long-term mitigation, adaptation, and resilience of New Jersey's economy, communities, infrastructure, and natural resources throughout the State in a manner consistent with the Scientific Report on Climate Change.

WE WANT YOUR HELP AS WE PLAN TO...

Take coordinated and proactive efforts to promote the resilience of New Jersey's communities from the current and anticipated impacts of climate change.
