

2024 Community-Based Art Grant Program

Program Support Grant Application Questions & Answers

Q: Does Flemington, NJ or any other possible regions of Hunterdon County qualify for the grant geographically?

A: Although many areas throughout New Jersey, like Hunterdon County, experience flooding, this opportunity is only available to community-based organizations that serve communities in New Jersey's coastal zone. Unfortunately, Hunterdon County is not within New Jersey's coastal zone. Please see this map for current boundaries of the coastal zone: [new-detailed-cafra-map.pdf \(nj.gov\)](#)
