

**P.L. 2003, CHAPTER 65, approved May 4, 2003**

**Senate, No. 1969 (Second Reprint)**

An Act concerning the transport of dredged material and supplementing Title 13 of the Revised Statutes.

Be It Enacted *by the Senate and General Assembly of the State of New Jersey*:

1. a. The Department of Environmental Protection shall not permit or otherwise authorize the transport in State waters of dredged material for the purpose of placing or dumping of such material into State waters of the Atlantic Ocean at a site designated for remediation if the material is found to exceed an effects level of 113 parts per billion of polychlorinated biphenyls (PCBs) in the tissue of worms tested and analyzed in accordance with the applicable federal procedures, or a level or in accordance with a procedure subsequently determined by the Commissioner of Environmental Protection to be more protective of human health and the environment.

b. The Department of Environmental Protection shall implement the provisions of subsection a. of this section through the enforceable policies of the State, including, but not limited to, any rules and regulations adopted pursuant to R.S.12:5-3.

c. Upon the effective date of this act, the Commissioner of Environmental Protection shall P.L. 2003, c. 65 to the National Oceanic and Atmospheric Administration under the provisions of the federal "Coastal Zone Management Act of 1972", as amended, 16 U.S.C. s.1451 et seq., for incorporation into the enforceable policies of the approved State management program.

2. This act shall take effect immediately.

Requires DEP to not authorize transport of polychlorinated biphenyl-contaminated material in coastal zone under certain circumstances.
