The Commission decided to use the canal house at 25 Calhoun Street as its executive offices.

Vice-Chairman and Treasurer

On advice of counsel, Mr. Kirkland noted the oral resignations of Mr. Jones and Mr. Jessen from the positions of vice-chairman and treasurer respectively. These resignations will be confirmed in writing. Mr. Torpey moved to accept the resignations as indicated and Mrs. Bullitt seconded the motion. All Commissioners present and voting unanimously concurred.

Nominations for the position of vice-chairman were then opened. Mr. Jessen's name was placed in nomination by Mrs. Bullitt and the nomination was seconded by Mr. Sayen. Executive Director

The Commission met in executive session, with all non-members absenting themselves, to discuss the candidates for the position of executive director. After concluding their discussion the meeting was re-opened. At that time, Mr. Sayen moved and Mr. Holland seconded the motion that Mr. Herbert Simmons be employed by the Commission as its executive director. All Commissioners present and voting unanimously concurred.

This was followed by a discussion of the salary and fringe benefits that would be offered Mr. Simmons and the arrangements by which he would be hired. Commissioner Bardin said he would have Sidney Ytkin, Director of Administration for DEP, look into the matter and advise the Commission of its options.

It was agreed that Mr. Kirkland and Mr. Jessen would meet with Mr. Simmons as soon as possible to negotiate the terms of employment.

Hamilton Marshes

The remainder of the meeting was devoted to discussing the proposed highway construction in the Hamilton marshes area. It was concluded that the Commission should continue discussions with DOT and invite DOT to make a presentation at the next monthly meeting of the alternatives proposed and their environmental impact.
Mr. Kirkland will extend this invitation to Mr. Bogdan and, at the suggestion of Commissioner Bardin, Mr. Keith Rosser.

Mr. Kirkland noted that he will be away on vacation until Mid-July and that Mr. Jessen will assume the chairman's responsibilities in his absence.
