AN EXPLANATION ABOUT THE FORMS YOU WILL BE COMPLETING

1. It is important that the applicant and individuals fill out all forms completely and answer all questions thoroughly. Read through all forms first to become familiar with the questions before answering.

2. There are instructions at the end of each form. Incomplete or improperly completed applications will cause your application to be returned resulting in significant delay in processing. Be sure to submit copies of required documents.

3. Do not leave any questions unanswered. If the appropriate answer is "none" or "no", please answer as "none" or "no" does not apply, you may enter "Not Applicable" or space provided with an explanation of why this does If a question "N/A" in the not apply.

4. The determination of a company's ability to demonstrate sufficient reliability, expertise, competency and integrity in order to comply with the Solid Waste Management Act will be determined, in part, by the information you supply in the disclosure forms. Failure to answer questions completely may result in the form or forms being returned for additional information and supplementation. Do not answer any questions until all records have been checked and reviewed. If additional space is required, copy the appropriate pages and insert those pages where applicable. Type or Print all answers in block form. (Handwritten forms that are illegible will be returned.)
5. A Business Concern Disclosure Statement is a statement containing information about any corporation, association, firm, partnership, trust or other form of commercial organization that contains information about the applicant who is filling out the form. Copies of documents must be included.

6. **NOTE:** An out of state business must register with the New Jersey Division of Commercial Recording and be in good standing. You may call them at 609-292-9292 or visit the website [www.state.nj.us/njbgs](http://www.state.nj.us/njbgs). Enclose a copy of your Certificate of Authority to do business in New Jersey.

7. All fictitious (trading as) names must be registered, however they will not be listed on the license. All New Jersey Corporations and Limited Liability Companies must be in good standing. **A copy must be enclosed with your application.**

8. A Personal History Disclosure Statement is a statement containing information about individuals who are owners, officers, directors, key employees, or partners of an applicant, permittee, licensee or lessor. The information requested in the Personal History Disclosure Form is used to conduct a background investigation of an individual.

9. The term "Key Employee" means an individual employed or otherwise engaged by the applicant, the permittee or the licensee in a supervisory capacity or empowered to make discretionary decisions with respect to the solid waste, hazardous waste, or soil and fill recycling operations of the business concern; any family member of an officer, director, partner, or key employee, employed or otherwise engaged by the applicant or permittee; or any broker, consultant or sale person employed or otherwise engaged by, or who do business with, the applicant, permittee, or licensee, with respect to the solid waste, hazardous waste, or soil and fill recycling operations of the business concern; but shall not include (1) employees, who are not family members, exclusively engaged in the physical or mechanical collection, transportation, treatment, storage, transfer or disposal of solid waste, hazardous waste, or the provision of soil and fill recycling services; or (2) a sales person employed by a publicly traded corporation or a direct or indirect subsidiary of a publicly traded corporation.

10. Any person who is required to fill out Disclosure Form must also be fingerprinted purposes. It is the company's responsibility fingerprinting to be done.

**FINGERPRINT PROCEDURES**

11. A Personal History for identification to arrange for the New Jersey has changed from the traditional "ink and roll" method to the "Live Scan Method" for individuals who work or reside in an approximate 50 mile radius of New Jersey. The New Jersey State Police will contact anyone who requires electronic fingerprinting.

12. **If you have any questions concerning fingerprinting, please call the A-901 Unit at 609-376-3270 or feel free to email us at A901mail@law.njoag.gov**
OUT OF STATE:

13. Individual equity holders, directors, officers or key employees who work or reside out the State of New Jersey must submit fingerprint cards with a Personal History Disclosure. If you did not receive a set of fingerprint cards, you must request fingerprint cards from the A-901 Unit at 609-376-3270.

14. Submit one blue FBI fingerprint card and one black New Jersey State Police fingerprint card for each individual required to complete a Personal History Disclosure Form. Fingerprint cards should be taken by law enforcement personnel.

15. Please complete all information on the fingerprint cards or they will be returned resulting in significant delay of your application.

16. A Second Level Business Concern Disclosure Statement is to be filled out where an owner is an officer of another company or corporation. All parent companies of the applicant or holder of an NJDEP solid/hazardous waste license must file a Second Level Business Disclosure Statement. This applies to all immediate, intermediate and ultimate 11 parent 11 companies. A parent company would include any business concern which holds any equity or debt liability directly or indirectly in the applicant. In other words, all business entities 11 upstream 11 of the applicant or license holder, i.e., parents, grandparents, great-grandparents, etc. must file a form. Each company must file a separate form. These are not included in packages that are sent to you unless requested. If you need a Second Level Business Disclosure Statement, please notify our office and one will be mailed to you for each company requiring one.

17. A Business Concern Disclosure Statement For Lessors, (hereafter Lessor Statement) is a statement containing information about any corporation, association, firm, partnership, trust or other form of commercial organization that contains information about the applicant who is filling out the form. A Lessor Statement is required to be filed when any permittee or licensee leases ten (10) or more solid waste vehicles and operators from a single lessor which is not a permittee or licensee, or when such leased vehicles represent at least 20 percent of the permittee's or licensee's fleet of solid waste vehicles. In such case, the permittee or licensee must, within 30 days of entering into the lease, file, or cause the lessor to file, a Business Concern Disclosure Statement for the Lessor, and Personal History Disclosure Statements for directors, officers, key employees, partners and equity holders of the lessor. If the lessor is an applicant applying for an A-901 License, then in lieu of filing duplicate disclosure statements, lessees may instead provide a written notice within 10 days to the Division of Law, Environmental Section, A-901 Unit that the lessor is already an applicant whose disclosure statement is on file.
18. The filing of any Lessor Statement is the responsibility of the company applying for a DEP solid/hazardous waste license. The personal History Disclosure Form must be distributed to all of the lessor’s representative(s) and returned to our office along with the Lessor Statement. **PLEASE NOTE: ALL** owners, officers, directors, partners, stockholders and key employees listed on the primary-level Lessor Statement **MUST** complete this form and return it along with the Lessor Statement.

19. The information contained in your statement is confidential. Once this information is supplied by your company to the Attorney General’s office, this information will not be released or disclosed to any person, except in accordance with the provisions of the Solid Waste Management Act or other applicable provisions of law. Personal information of a confidential nature, once collected by the Department of Law & Public Safety, will then become confidential information and protected from unauthorized public disclosure by the DEP pursuant to N.J.A.C. 7:26-16.14(1) which states in part:
