A conviction of your company for any of the crimes listed in N.J.S.A. 13:1E-133(b), as well as Appendix B of this document, will result in denial of this application, unless your company can demonstrate rehabilitation from the crimes "by clear and convincing evidence." The factors the Department will consider are set forth in N.J.S.A. 13:1E-133.1(c) as well as Appendix C. Set forth any written evidence or arguments you wish to make that demonstrate rehabilitation. Attach additional sheets if necessary. Attach any additional documents you wish the Department to consider.

PART XII: CONSENT FORM FOR DISCLOSURE OF SOCIAL SECURITY NUMBERS

Each individual currently involved with this company and listed in Part VI, "Involved Individuals," must submit a signed copy of this form.

I, _____, hereby certify that I have read the Notice on this page and I consent to the disclosure of my social security number for the limited purposes set forth therein.

Notice required under Section 7(b) of the Federal Privacy Act of 1974

Under section 7(b) of the Privacy Act of 1974, 5 U.S.C. 552a(note), any government agency which requests an individual to disclose his Social Security account number must inform that individual by what statutory or other authority such number is solicited, what uses will be made of it, and whether the disclosure is mandatory or voluntary.

The New Jersey Department of Environmental Protection is authorized to request Social Security numbers by N.J.S.A. 13:1E-127(e), the section of the A-901 statute that defines the content of the Disclosure Statement. The Social Security number is used as a secondary identifier when the State Police conduct checks of criminal history records maintained by the State and Federal governments. When the State Police obtain records from outside sources, the Social Security number may be used to determine whether the records pertain to the individual under investigation.

The listing of Social Security numbers on the disclosure forms is voluntary. Under Section 7(a) of the Federal Privacy Act of 1974, the Department cannot deny or revoke a license or impose any penalty because of an individual's refusal to disclose a Social Security number. However, confirmation of identification without a Social Security number may take longer, which would lengthen the State Police investigation and thereby lengthen a decision on licensure. In addition, there is the possibility that the absence of a Social Security number may result in the initial identification of an individual as having a criminal record which actually is that of another person. That, again, may result in a delay in the decision on licensure.

- 1. WHO MUST FILL OUT THIS FORM.** Companies seeking an A901 License to broker or transport solid waste, hazardous waste, or soil and full recyclable material in New Jersey must complete this form.
- 2. ALL QUESTIONS MUST BE ANSWERED.** Read every question carefully before answering it. Answer every question completely. Do not leave any blank spaces. Provide a response in each section. If an answer is "none", write "none". If the item is not applicable, write "not applicable" or "N/A", with an explanation of why. Unanswered questions will result in the form being deemed incomplete and, therefore, returned for additional information.
- 3. ANSWER COMPLETELY AND TRUTHFULLY.** You should not answer "Do Not Remember" or something similar simply because the information is not immediately at hand. You are expected to make reasonable efforts to check your records so that you can answer the questions completely. Failure to answer truthfully may result in a denial or revocation of a business concern's application or license.
- 4. ADDITIONAL SPACE.** If you need additional space to answer a question, use copies of the appropriate pages. Insert additional pages immediately following the page on which the question you are answering initially appears.
- 5. FEE CALCULATION.** Certain fees must be paid to the Division of Law in connection with the processing of this Disclosure Statement. The Division of Law will calculate the fee upon the review of the Disclosure Statement and forward an invoice to the applicant - **DO NOT SEND PAYMENT WITH THE SUBMISSION OF THIS DISCLOSURE DOCUMENT.**
- 6. PERSONAL HISTORY DISCLOSURE FORMS.** Personal History Disclosure Forms must be submitted by the equity holders, directors, officers, partners, family members, sales persons, consultants, and key employees of the applicant or license-holder itself.
 - a. In addition, Personal History Disclosure Forms must be filed by the equity holders, directors, partners and officers of all parent companies of the applicant or license-holder. This applies to all immediate, intermediate and ultimate parent companies.
 - b. Please Note: If a business concern has more than four officers or two key employees, contact the Division of Law at the numbers or address noted below prior to submitting the Personal History Disclosure Statements for those officers or key employees.
- 7. LESSOR BUSINESS CONCERN DISCLOSURE STATEMENTS.** Business Concern Disclosure Statements for Lessors must be filed by business concerns from which the applicant leases ten or more solid waste vehicles and operators and which are not themselves permittees or licensees, or when such leased vehicles represent at least 20 percent of the permittee's or licensee's fleet of solid waste vehicles, or when they lease 20 or more solid waste operators from a single lessor which is not a permittee or licensee, as well as personal history disclosure statements for the lessor's directors, officers, key employees, partners, and equity holders. N.J.A.C. 7:26-16.6(i) and (j).
- 8. SECOND-LEVEL BUSINESS CONCERN DISCLOSURE STATEMENTS.** Second-Level Business Concern Disclosure Statements must be filed by all parent companies of the applicant,

including all immediate, intermediate and ultimate parent companies. Each parent company must file a separate Second-Level Business Concern Disclosure Statement.

Parent companies include any business concern which holds any equity or debt liability in the applicant or license-holder itself, or which holds, directly or through another entity, any debt liability or equity in a parent company. In other words, all business entities "upstream" of the applicant or license holder, i.e., parents, grandparents, great-grandparents, etc. must file Second-Level Business Concern Disclosure Statements. These Second-Level Forms must be submitted along with the Business Concern Disclosure Statement of the applicant or license holder. Debt liability does not include debts owed to a chartered lending institution, or accounts payable for goods and services received unless the amount owed to a particular creditor is greater than \$10,000 and also exceeds 5% of the business concern's total debt liability or net worth, whichever is greater.

WARNING

FRAUDULENT, DECEPTIVE OR MISLEADING ANSWERS ON DISCLOSURE STATEMENTS MAY RESULT IN THE DENIAL OR REVOCATION OF A LICENSE OR LOSS OF AUTHORIZATION TO ACT AS A LESSOR TO A LICENSEE OR PERMITTEE. IN ADDITION, ANY PERSON WHO MAKES FALSE OR MISLEADING STATEMENTS ON THIS FORM MAY BE SUBJECT TO CRIMINAL PROSECUTION.

Be especially careful not to leave out information in a way that might create an impression that you are trying to hide it. For example, a minor criminal conviction will probably not disqualify you or your company from being licensed -- but attempting to conceal the conviction may lead to a finding of untrustworthiness and result in disqualification. Omitting such information from this form, even unintentionally, may result in your trustworthiness being questioned. Even if the question is resolved in your favor, an application may be delayed while the inquiry goes forward.

If you are unsure of, or do not remember the answer to a question, indicate this in some way -- For example, by writing "Do Not Remember". This may result in additional inquiries from the Department or the Attorney General's Office, but it will avoid the implication that you are trying to conceal information. However, you should not answer "Do not remember", simply because the information may not be immediately at hand. You are expected to make reasonable efforts to check your records so that you can answer the questions completely.

RESTRICTIONS**

Under provisions set forth in *Title 28, Code of Federal Regulations (CFR), Section 50.12*, both governmental and nongovernmental entities authorized to submit fingerprints and receive FBI identification records must notify the individuals fingerprinted that the fingerprints will be used to check the criminal history records of the FBI. Identification records obtained from the FBI may be used solely for the purpose requested and may not be disseminated outside the receiving department, related agency or other authorized entity. If the information on the record is used to disqualify an applicant, the official making the determination of suitability for licensing or employment shall provide the applicant the opportunity to complete, or challenge the accuracy of, the information contained in the FBI identification record. The deciding official should not deny the license or employment based on the information in the record until the applicant has been afforded a reasonable time to correct or complete the information, or has declined to do so. An individual should be presumed not guilty of any charge/arrest for which there is no final disposition stated on the record or otherwise determined. If the applicant wishes to correct the record as it appears in the FBI's CJIS Division Records System, the applicant should be advised that the procedures to change, correct or update the record are set forth in *Title 28, CFR, Section 16.34*.

APPENDIX C: DISQUALIFYING CRIMES

Pursuant to N.J.S.A. 13:1E-133(b) and N.J.A.C. 7:26-16.8(b), an applicant, permittee or licensee may be disqualified from holding a solid waste, hazardous waste, or soil and fill recycling license "if any person required to be listed in the disclosure statement or shown to have a beneficial interest in the business of the applicant, permittee, or the licensee" has been convicted of any of 23 categories of crimes listed in the statute.

The term "any person required to be listed in the disclosure statement" includes owners, stockholders, officers, directors, partners, key employees, family members, sales persons, consultants, and holders of debt liability. The term "shown to have a beneficial interest" is meant to cover situations where an individual has an informal interest that may not show up on a disclosure statement-- such as a regular cash payment from company funds.

Disqualifying crimes are any of the following under New Jersey laws, or equivalent laws of any other jurisdiction.

1. Murder;
2. Kidnapping;
3. Gambling;
4. Robbery;
5. Bribery;
6. Extortion;
7. Criminal usury;
8. Arson;
9. Burglary;
10. Theft and related crimes;
11. Forgery and fraudulent practices;
12. Fraud in the offering, sale or purchase of securities;
13. Alteration of motor vehicle identification numbers;
14. Unlawful manufacture, purchase, use or transfer of firearms;
15. Unlawful possession or use of destructive devices or explosives;
16. Violation of N.J.S.A. 2C:35-5, except N.J.S.A. 2C:35-10 or possession of 84 grams or less of marijuana,
17. Racketeering, N.J.S.A. 2C:41-1 et seq.
18. Violation of criminal provisions of the "New Jersey Antitrust Act," N.J.S.A. 56:9-1 et seq.
19. Any purposeful, knowing, willful or reckless violation of the criminal provisions of any federal or state environmental protection laws, rules, or regulations, including but not limited to solid waste or hazardous waste management law, rules or regulations;
20. Violation of N.J.S.A. 2C:17-2;

22. Any violation of the Solid Waste Utility Control Act, N.J.S.A. 48:13A.
23. Aggravated Assault.

APPENDIX D: REHABILITATION CRITERIA

N.J.S.A. 13:1E-133.1 provides for an exception to the disqualification that would otherwise result from a criminal conviction where the applicant, a licensee or individual demonstrates "by clear and convincing evidence" the convicted person's rehabilitation.

The Department is required to request a recommendation from the Attorney General, and to consider the following factors when weighing the issue of rehabilitation for convicted individuals:

1. The nature and responsibilities of the position which a convicted individual would hold;
2. The nature and seriousness of the crime;
3. The circumstances under which the crime was committed;
4. The date of the crime;
5. The age of the individual when the crime was committed;
6. Whether the crime was an isolated or repeated act;
7. Any evidence of good conduct in the community, counseling or psychiatric treatment received, acquisition of additional academic or vocational schooling, or the recommendation of persons who have supervised the convicted individual since the conviction;
8. The full criminal record of the convicted individual, any record of civil or regulatory violations or notices or any complaints alleging any such civil regulatory violations, or any other allegations of wrongdoing.

SEVERANCE OF DISQUALIFYING INDIVIDUALS

As an alternative to demonstrating "rehabilitation", an applicant or licensee may be able to avoid disqualification by severing the interest or affiliation of the person who would otherwise cause disqualification. Under a regulation of the Department, N.J.A.C. 7:26-16.11, companies that choose this course must completely sever the individual's interest or affiliation, and file an affidavit attesting to the terms of the removal.

Applicants and licensees should be aware that severing a disqualifying individual will not necessarily guarantee a license, especially if the presence of the disqualified individual evidences unreliability in the company management.
