Collingswood, New Jersey 08107

Dear Mr. Sworaski:

The Department of Environmental Protection's Solid and Hazardous Waste Program is in receipt of the August 9, 2007 request for an administrative action. This administrative action proposes the acceptance of up to 750 tons per day of clean wood waste and wood land/clearing debris at the Atco Concrete Company L.L.C. existing Class B recycling center located at Block 244, Lots 24 and 25 in Waterford Township, Camden County.

Pursuant to N.J.A.C. 7:26-6.11(b) 5., the acceptance of additional waste types at an existing facility constitutes an approvable administrative action. Therefore, this request is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

Please be advised that this administrative action approval shall not be construed as an expression of the Department's intent to issue a permit modification to the subject facility for the above noted operational changes.

If you have any questions relative to this action, please contact Najwa N. Ali of my staff at (609) 984-9773 or email at Najwa.Ali@dep.state.nj.us.

Sincerely,

Guy Watson, Chief
Bureau of Recycling and Planning
