Dear Mr. Herrmann,

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a proposed amendment to the Essex County District Solid Waste Management Plan (County Plan) dated January 28, 2018. The amendment to the County Plan proposes County Plan inclusion of Irvington Metals, LLC Class A Recycling Center, to be located at 63 Cordier Street in the Township of Irvington to accept source separated metals, source separated plastic, source separated paper, and source separated corrugated and other cardboard.

Pursuant to N.J.A.C. 7:26-6.11(b)3, the inclusion of a new recycling facility for the acceptance of Class A recyclables can be accomplished via an administrative action. Therefore, the County Plan inclusion of Irvington Metals, LLC Class A Recycling Center located in the Township of Irvington is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this matter, please contact Dawn Slawsky of my staff at (609) 292-4393 or by e-mail at dawn.slawsky@dep.nj.gov.

Sincerely,

Edward A. Nielwocki, Contract Administrator 3
