Dear Mr. Herrmann,

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of two proposed amendments to the Essex County District Solid Waste Management Plan (County Plan) dated June 21, 2017. These amendments to the County Plan proposes County Plan inclusion of:

- Yes Recycling, Inc. Class A Recycling Center, to be located at 363 South Street in the City of Newark, and;
- Carjon Recycling Services, Inc. Class A Recycling Center, to be located at 217 Pioneer Street in the City of Newark.

Pursuant to N.J.A.C. 7:26-6.11(b)3, the inclusion of a new recycling facility for the acceptance and processing Class A recyclables can be accomplished via an administrative action. Therefore, the County Plan inclusion of Yes Recycling, Inc. Class A Recycling Center and Carjon Recycling Services, Inc. Class A Recycling Center, both located in the City of Newark are hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).
