Dear Mr. Newman:

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a proposed amendment to the Monmouth County District Solid Waste Management Plan (County Plan) dated January 4, 2021. This amendment to the County Plan proposes County Plan inclusion of a change in name of the former Kerr Concrete Pipe Class B Recycling Facility ("Kerr") to Greenway Industries of New Jersey T/A Greenway Recycling Class B ("Greenway") located at 89 Yellowbrook Road, Block 177, Lot 62.01, in Howell Township. Greenway proposes to process 1,000 tons (625 cubic yards) per day of concrete, concrete pipe, concrete block, other concrete materials and asphalt at the facility.

Pursuant to N.J.A.C. 7:26-6.11(b)14, the inclusion of a change in name of an existing Class B recycling facility can be accomplished via an administrative action. Therefore, this request to change the name of the former Kerr to Greenway is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

If you have any questions relative to this matter, please contact Joanne McClendon of my staff at (609) 292-2125 or email at Joanne.mcclendon@dep.nj.gov.

Sincerely,

Seth Hackman, Bureau Chief
