Dear Mr. Guidetti:

The New Jersey Department of Environmental Protection's Division of Sustainable Waste Management, Bureau of Solid Waste Planning and Licensing is in receipt of a request for administrative action to the Monmouth County District Solid Waste Management Plan (County Plan) dated June 4, 2025. This amendment to the County Plan proposes County Plan inclusion of an amendment to the leaf acceptance timeframe for the Mazza Recycling Services Ltd Class B Recycling Center, located at 3230 Shafto Road, Block 145, Lot 26.01 in the Borough of Tinton Falls. The request proposes to allow for the facility to accept leaves year-round, as opposed to only during leaf season (September 1st to January 31st). This change will not affect the inbound tonnage limits, storage capacity limits, or site plan for the facility.

Pursuant to N.J.A.C. 7:26-6.11(b)14, the inclusion of an amendment to the leaf acceptance timeframe can be accomplished via administrative action. Therefore, the County Plan inclusion of the acceptance of leaves year-round at the Mazza Recycling Services Ltd Class B Recycling Center is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11.

If you have any questions relative to this action, please contact me at (609) 940-5805 or Amy Entin at Amy.Entin@dep.nj.gov.

Sincerely,

Jill Aspinwall, Section Chief
Bureau of Solid Waste Planning and Licensing
