Dear Mr. Newman:

The Department of Environmental Protection's Division of Solid and Hazardous Waste is in receipt of a request for administrative action to the Monmouth County Solid Waste Management Plan (County Plan) dated July 1, 2014. The administrative action request proposes to amend the County Plan by allowing Mazza & Sons, Inc. to make application for permit modification. The change in permit would allow the pilot project of making alternate fuels into a permanent component of the facility's operations.

Pursuant to N.J.A.C. 7:26-6.11(b) 5., on-site operational changes at an existing facility may be considered for approval through administrative action process. Therefore, this request is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

Please be advised that this administrative action approval shall not be construed as an expression of the Department's intent to issue a permit modification to the subject facility for the above noted operational changes.

If you have any questions relative to this action, please contact Ed Nielowocki of my staff at (609) 984-6939 or email at ed.nielowocki@dep.state.nj.us.

Sincerely,

Deborah Pinto, Bureau Chief
