Dear Mr. Zaayenga:

The Department of Environmental Protection's Solid and Hazardous Waste Program is in receipt of the August 7, 2007 request for an administrative action to include within the Monmouth County Solid Waste Management Plan the acceptance of 600 tons per day of concrete, block and masonry at the John Blewett Inc. Class B recycling center located at Block 46, Lots 9 and 10.01 in Howell Township. Deliveries are limited to 7:00 a.m. to 4:00 p.m. Monday through Friday, and 8:00 a.m. to 2:00 p.m. Saturday.

Pursuant to N.J.A.C. 7:26-6.11(b) 5 & 14., the modification of an existing facility including waste types and on-site operational changes constitutes an approvable administrative action. Therefore, this request is hereby approved as an administrative action pursuant to N.J.A.C. 7:26-6.11(f).

Please be advised that this administrative action approval shall not be construed as an expression of the Department's intent to issue a permit modification to the subject facility for the above noted operational changes.

If you have any questions relative to this action, please contact Najwa Ali of my staff at (609) 984-9773 or email at Najwa.Ali@dep.state.nj.us.

Sincerely,

Guy Watson, Chief
Bureau of Recycling and Planning
